Time To Go:

Space Adventures: Where Does the Time Go? (Level B) John Perritano,2013-01-01 What do you want to be when you grow up Do you want to be an astronaut Read this book to find out more about real astronauts living and working on the International Space Station While you discover what it is like to live in outer space you will also learn about elapsed time and equivalent units of time Applied key concepts include converting units of time by adding and subtracting using a number line diagram and reading an analog clock Get ready to blast off

Why Does Time Go Slow on a Moving Train? David Ann, It is hard to believe that the speed of time can change Einstein explained why this happens through his special theory of relativity For objects moving very fast time actually flows more slowly And as the speed increases the length of the object appears to shrink when seen from outside
