History of Sullivan County, Pennsylvania George Streby,1903      **Queer Opera** Andrew Sutherland,2023-03-27 In Queer Opera Andrew Sutherland argues that operas often reflect characteristics of the society and epistime in which they are written but that they also do much more than that operas have agency LGBTQ social cultural and political issues have become an increasingly defining feature of twenty first century life and as agency for change composers have turned to opera to underscore the lived queer experience Sutherland posits that operas written before the sexual revolution of the mid twentieth century utilized a codified language both in the libretto and score communicating with those observers open to a queer reading He explores the growing trend of local small scale independent opera companies seen around the world towards the end of the first decade of the twenty first century and argues that this has emboldened queer artists to reclaim opera as a queer space He further argues that for several centuries opera houses have been safe havens for queer composers librettists performers and designers and yet it is only relatively recently that any serious attempt at queer representation in operatic works has begun to be realized In this book he examines narratives and music of selected operas to walk through queer history in Western societies and shines a light on how many of opera s well known characters based on historical figures who represent pivotal moments in the queer story are responsible in a variety of ways for the continued struggle for queer acceptance      When the Leaves fall - A Biker-Romance Story in a Small Town! Claudia Pohl, Anastasia My name is Anastasia Miller but friends call me Tia Well the few I have left at all Rumors and intrigues from the people who called my family and friends destroyed my childhood and youth When it was no longer bearable I left home and joined the military 17 years have passed since then Three years ago I returned to Falls Creek Montana at the end of my duty Here on the edge of the Kootenai National Forest I now live on my own small farm along with my animals I train search dogs here for the military as a thank you for funding my veterinary degree I also occasionally help the local sheriff when tourists disappear in the huge

forests of the national park However I have hardly anything to do with the people of the town I have never forgiven them for what they did to me and so I live in seclusion All I need are my animals But a search mission should change everything because I rescued two children from the forest who belong to the local biker club Now the crew is in my debt and their president Hawk is making sure I don't forget that there's still something outstanding Only I have nothing a man can help me with At least that's what I always thought Until now Hawk They call me Hawk but to my men I'm just Pres the leader of the Fallen Angel biker club My nephew and my VP's nephew have disappeared into these impenetrable woods together with a friend and after a day night of searching the Sheriff finally brings out his secret weapon Tia A woman like I've never seen in my life Fearless and breathtakingly beautiful she marches into the woods with a trained puma and finally finds the three children even if she is too late for one of them The cries of the mother who has lost everything made us all forget to thank Tia But my crew pays its debt and Tia has done us an invaluable service But is the debt really the only reason I'm on her doorstep day after day I'm 42 years old and considered an untamable wolf So why can't I stop asking myself questions about this grumpy always closed minded woman Why does Tia rule my mind like no one else has been able to for 20 years
