Reeve, Michael Windover, 2023-09-01 Leading architect E J Lennox designed Casa Loma for the flamboyant Sir Henry Pellatt and Mary Lady Pellatt as an enormous castellated mansion that overlooked the booming metropolis of Toronto The first scholarly book dedicated to this Canadian landmark Casa Loma situates the famous house on the hill within Toronto s architectural urban and cultural history Casa Loma was not only an outsized home for the self appointed Lord Toronto but a statement of Canada s association with empire an assertion of the country s British legacy During and after the Pellatts occupation Casa Loma was a major landmark and it has since infiltrated the iconography and collective memory of the metropolis The reception of Casa Loma variously loved and abhorred by Torontonians reflects many of Toronto s major aspirations and anxieties about itself as a modern city Across ten chapters this book charts the history of Casa Loma from the purchase of the estate atop Davenport Ridge in 1903 and its construction from 1906 through to its sale and the dispersal of its contents in 1924 its subsequent life as a hotel and finally its transformation into one of the city s major entertainment venues Casa Loma brings to light a wealth of hitherto unpublished archival images and documentation of the house s visual and material culture weaving together a textured account of the design use and life of this unique building over the course of the twentieth century The Ottawa Naturalist, 1901 *William Thomas, Architect: 1799-1860* Glenn McArthur, Annie Szamosi, 1996-05-15 Among architect historians William Thomas is recognized as being one of the founders of the Canadian architectural profession His prodigious output during a 17 year career in Canada dating from 1843 to 1860 included over 100 buildings many of which are still standing today The significance of Thomas contribution cannot be overestimated His buildings became the foci of towns housing the communities religious governmental educational commercial and cultural activities In drawings prints and photographs of this period depicting Toronto Quebec City Hamilton Halifax London Guelph Chatham and Niagara on the Lake we can see the direct effects of Thomas work His church spires pierce the sky his public buildings dominate town blocks often his stores are
