Schweitzer,2011-11-10 Have you ever questioned who you really are Have you ever wondered about your soul Are you an Old Soul A Newly Awakened Soul Are you still soul sleeping Are you a Star Child Are you an Indigo Child Why have The Elohim and Hybrid souls incarnated Who are the Crystal Children If you are reading the back of this book thenb you belong to one of the soul groups listed above Which group do you belong to Find your soul home identity in the pages of this book

Soul-Based Living Mihai Ilioi,2025-08-19 Soul Based Living in the Age of AI Why This Book Exists In a time when technology grows faster than wisdom and information multiplies more rapidly than understanding humanity faces an invisible but urgent crisis the dislocation of the soul from the center of life This guide exists as both a warning and an invitation a warning against the rising tide of synthetic influence masquerading as light and an invitation to re anchor ourselves in the eternal foundation of Soul Based Living This book is not a reaction against progress but it is a call for return to the Source It is a compass for all those who feel the trembling within who know that algorithms can predict behavior but never replace consciousness That intelligence can be programmed but the living soul cannot be replicated This Book is a call for Awakening of the Soul Amidst Synthetic Evolution The living soul is the eternal imprint of the Eternal Creator within us Yet in an age fueled and shaped by Artificial Intelligence virtual identity and digital autonomy the voice of the living soul is being drowned by the noise of systems designed to mimic it As AI learns to speak create analyze and even simulate empathy the human race stands at a spiritual crossroads Will we evolve with conscience or simply with code Will we live as soulless machines or as spirit led beings navigating a world of illusion with truth clarity and divine awareness This book is for those who are waking up in the middle of the night sensing that something deeper is at stake For those who feel a holy restlessness in the face of artificial perfection For those who believe the soul was not made to be silent or outsourced This book is about the sacred call to Remembrance Not Resistance Through Fear This is not a manifesto of fear It is a manuscript of remembrance In the storm of synthetic intelligence let us remember who we are not just carbon based creatures but soul born beings created with eternal essence and divine purpose The call is not to war against technology but to walk with discernment Not to isolate from systems but to remain inwardly aligned The goal is not to demonize the rise of intelligence but to recenter the throne of wisdom in the heart of humanity We are not here to escape this coming age that it is upon us the living soul is here to embody truth within it [In Sweet Company](#) Margaret Wolff,2006-02-17 In Sweet Company takes readers on a spiritual

things as you that the shamanic way can be slow and painful Often past life work beliefs work or other extra healing work need to be done Maryphyllis Horn Shamanic Practitioner MEd CMHt CTFTRev Reconnection Practitioner Pittsboro NC author of Soul Integration A Shamanic Path To Freedom And Wholeness I am becoming a hypnotherapist and after working with you and Melora a couple months ago I thought I would write say that I feel the two sessions I ve had with you over three years have been the most significant single point of healing I ve ever experienced I d also like to thank you for helping me intellectually realize that time does not exist by bringing a future self to heal me in my current consciousness Lyn Johnson Denver CO
