**The Mediterranean Diet Cookbook for Beginners** Simona Simmons, 2021-02-20 55% OFF for Bookstores NOW at 36.97 instead of 46.97 LAST DAYS Are you ready to start eating healthy The popularity of the Mediterranean Diet has not popped up due to some new food trends among young people The natives living on the coastal areas of the Mediterranean Sea have access to similar fruits vegetables meats fish olive oil and wines With the Mediterranean diet you are giving your body the nutrients and vitamins it needs so you won't feel hungry However it requires a large commitment to eating natural foods removing temptation and cooking regular meals If you love to cook this isn't much of a change but for those that have few skills in the kitchen it can be a daunting and well rewarding task at the same time Of course like with any diet stay well hydrated and moderate exercise will go a long way And the good thing about the Mediterranean diet is that since it's balanced you can work it into any eating situation You can even go bad or cheat on occasion because the diet does not specifically restrict entire food groups If you are following a radical diet like the keto diet once slice of bread will ruin your entire diet You have to make a scene when going out to eat with others since you cannot touch a carbohydrate This isn't the case with the Mediterranean diet You don't even have to tell anyone you're following it it's a healthy version of normal eating Furthermore it is my hope that you enjoy all the healthy recipes in this book There's no shortage of meals you can enjoy on a Mediterranean diet Having said that the next step is to experiment with the different recipes This book covers The Mediterranean Diet Common Mistakes 28 Day Meal Plan to Start with Mediterranean Diet

Mediterranean Cuisine Breakfast Brunch The Mediterranean Plan Breakfast Lunch Dinner Snacks Desserts Soups Salads
