

# TALKING ABOUT MONEY

What is money?

What do you usually spend your money on?

What's more enjoyable? Earning money or spending it?

What would you buy if you had one million dollars?

Do you save money?

Do you invest money in your self-development?

Do you remember the first time you earned some money?

Can money buy you love?

What's the best way of making a lot of money?

Have you ever raised money for charity?

Do you think money has a negative effect on people?

What do you value more: money or free time?

What was the last thing you bought?

Do you usually pay by card/cash or bank transfer?

What jobs earn high salary?

Have you ever lost a lot of money?

How often do you worry about money?

Have you ever bought a lottery ticket?
