**Speed Reading Made Easy: a Guide to Speed Reading**

Darren Wallace,2012-10-25 Have you ever wondered about speed reading and how exactly it is done If you have this is the best place to get the information that you need to get a start There is great flow as the book starts out with more than a working definition of the topic and then goes into how you can actually get it done There is even an entire chapter dedicated to the research that has been done and the results of these scientific tests negative or positive The book is filled with pertinent information that directly relates to the topic at hand with no unnecessary fillers to take up space It really does serve as a great guide for those that are looking to even try out the process of speed reading and to get a basic grasp of some of the techniques before they go on to refine the process and become professionals The presentation of all aspects of speed reading is appreciated so the reader gets an entire picture of the good and bad aspects of it and can make an informed decision from what they have read It is highly recommended as it is not just based on the notions of the author but is based on research

**Speed Reading Made Easy : Become Speed Reading Champion In 30 Minutes** George

*Reading Made Easy for Foreigners* John Ludwig Hülshof,1909      **Speed Reading Made Easy** ,1995\*      **Reading made easy, on a rational system** Anna Snell,1873      **Reading made easy, on a rational system. Pt. 1. Pt. 2 revised with the help of C. Herford and M.A. Wroe** Anna Snell,1903      *Reading Made Easy for Foreigners* John Ludwig Huelshof,1909      *Speed Reading* Perry Anderson,2019-03

Speed Reading Speed reading can come to your rescue when you have to refer to a lot of work for a single project or assignment especially when you are already familiar with the major concepts but want to widen your knowledge base regarding the topic Human mind is a lot more capable then we give it credit for and there are ways that you can use your maximum mental capabilities One of them is speed reading It can help you go through piles of reading material in half or less than the time it would usually take you to read it I am writing this book largely from experience I became interested in speed reading when someone I know got through piles of reading in a few days and completed his dissertation whereas it took me days to write the text of my own dissertation I had to know some of his techniques Honestly the eye fixation techniques work best if you have great familiarity with the topic at hand My friend was able to speed read his way to a Ph D because he was highly familiar with the topics and concepts related to his dissertation topic So let s get this myth out of the way you cannot increase your reading speed to thousands of words per minute You can only bring an improvement in your reading speed while still keeping it within human range less than 900 words per minute That too is only when you are familiar with the topic I will recommend reading at

normal rate when concepts are novel to you The first chapter has all the theory regarding speed reading the controversies and the research facts I believe that theory is necessary for practice The second chapter contains the actually eye fixation techniques in a step wise way You can actually start practicing these methods right after reading them The third chapter is about the comprehension and retention of the reading material which is actually the main aim of reading anything The third chapter also contains a step wise methods to enhance retention and comprehension including the SQ3R Speed reading apps and software have also emerged They make use of the basic principles of eye fixation techniques and provide even quicker ways to go through reading material I want to stress the fact that there is no replacement for traditional book reading Speed reading can however come in handy when you have to complete a lot of reading in a short amount of time So keep that in mind while you are reading this book For more information click on the BUY BUTTON tag reading comprehension strategies speed reading exercises speed reading for beginners how to read faster read faster speed reading guide speed read rapid reading fast reading reading comprehension for adults how to speed read improve reading comprehension speed read and memory speed reading books **Pitman's Journal** ,1908
