Study Skills 58:

Reaching Standards and Beyond in Kindergarten Gera Jacobs, Kathy Crowley, 2010 Focusing on research based developmentally appropriate practices this book shows teachers how to help young children reach standards through creative play activities that ignite their enthusiasm to learn

The Exam Class Toolkit Johannes Ahrenfelt, Neal Watkin, 2009-11-20 It is a new school year and you have a dilemma on the one hand is a group of bubbly students wanting something original and new and on the other is a stuffed specification and an impatient senior leader demanding greater value added from the results How do you please them both This book will show you how teaching exam groups can be exciting for both you and your students while maintaining a firm grip on results It will provide you with guidance on designing an exciting course at GCSE and A Level and suggests engaging and challenging activities that will help boost students confidence and ensure progression in both skills and understanding The Exam Class Toolkit also offers concrete examples of how you can make lessons memorable and relevant This book is for anyone who wants to make a real impact and re invigorate exam group teaching

Open and Flexible Learning in Vocational Education and Training Judith Calder, Ann McCollum, 2013-10-08 This text reviews the strategies adopted in a range of behaviourist approaches to the setting and realization of standards identifying the background from which they emerged and ways in which they might be further developed

Curriculum-based Measurement Mark R. Shinn, 1989-03-17 Developed specifically to overcome problems with traditional standardized instruments curriculum based measurement CBM has steadily increased in educational use These brief assessment probes of reading spelling written expression and mathematics serve to quantify student performance as well as to enhance academic achievement Their widening use as a means of evaluation and ultimately of instruction has created a corresponding need to expand the applications of this methodology to diverse populations This new volume addresses that need by focusing on the broader application of CBM providing practical new measures as well as detailing their use with specific student groups

Silent Reading and Study Skills James Alvin Wiley, 1927

Teaching 14-19 Georgina Donovan, 2013-11-19 The emergence of the new 14 19 sector raises huge learning and teaching issues for both schools and colleges of further education A new generation of skilled and flexible professionals will need to be trained and re trained Teachers in both sectors are understandably nervous about the impending changes Covering everything a teacher needs to know about learning and teaching across these phases this book supports recent government policy initiatives for the 14 19 sector covers how to teach the 14 19 age phase in both schools and colleges addresses issues of concern for both teachers and college lectures helps both groups appreciate the background and rationale of the other sector With a FAQ format lots of practical advice and illustrative case studies this book will be vital for all practitioners experienced and trainee in both secondary and post compulsory education
