Postcards from Tomorrow Square James Fallows,2009-01-06 Americans need not be hostile toward China s rise but they should be wary about its eventual effects The United States is the only nation with the scale and power to try to set the terms of its interaction with China rather than just succumb So starting now Americans need to consider the economic environmental political and social goals they care about defending as Chinese influence grows from China Makes the World Takes Since December 2006 The Atlantic Magazine s James Fallows has been writing some of the most discerning accounts of the economic and political transformation occurring in China The ten essays collected here cover a wide range of topics from visionary tycoons and TV battling entrepreneurs to environmental pollution and how China subsidizes our economy Fallows expertly and lucidly explains the economic political social and cultural forces at work turning China into a world superpower at breakneck speed This eye opening and cautionary account is essential reading for all concerned not only with China s but America s future role in the world

New York Magazine ,1976-03-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Off the Beaten (Subway) Track Suzanne Reisman,2011-07-28 While it may seem that every possible attraction in New York City

has been written about Off the Beaten Subway Track is the city's first guide to focus on one hundred unique off the beaten path destinations Some are small museums some are historic places long forgotten some are stores that sell only odd things and some are distinguished for their claim to fame as the world's largest smallest whatever All of them are notable for the passion with which their proprietors and curators care for them and all of them can be visited via the subway system as Suzanne Reisman directs you to which of the city's 486 subway stations will get you closest These attractions are the types of places and things that not only fit perfectly with the New Yorker's psyche and ego but also satisfy a tourist's desire to see the unusual For example the Big Apple is home to the world's tallest Doric column the world's largest armory the world's largest cathedral and the world's largest Reform synagogue The city also has a troll museum a numismatic museum a skyscraper museum doll and toy museums and a museum of comic and cartoon art In many cases half the fun of visiting these places is getting to meet the people behind them Organized geographically to help you to explore the culture and diversity of the city's great neighborhoods Off the Beaten Subway Track offers venues in Manhattan Lower Middle and Upper Brooklyn the Bronx Queens and Staten Island Also included in many of the entries are nearby places of interest within walking distance that you might also want to visit while you're in the neighborhood

Art and the Subway Tracy Fitzpatrick, 2009 Explores artistic production surrounding the world's most famous public transportation system from just before its opening in 1904 onwards Using images this work offers perspectives on ways in which the subway has been used as a subject about which to make art as a site within which to make art and as a canvas upon which to make art

American Woman Suffrage Postcards Kenneth Florey, 2015-08-10 American women's suffrage activists were fascinated with suffrage themed postcards They collected them exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards
