The Alcoholics:

The Alcoholic Society Norman Kent Denzin,1993-01-01 Offering a unique theoretical foundation to understanding the lived experience of the active alcoholic Denzin asserts that alcoholism is a disease in which negative emotions divide the self into warring inner factions fueled and distorted by alcoholic intoxication The work is solidly anchored in a long term study of the socialization experiences that began in alcoholism treatment centers and continue in Alcoholics Anonymous recovery programs It covers the treatment process the restructuring of self the alcoholic s interaction with his recovery treatment program and the modalities of self transcendence that result from treatment

The Alcoholic Offender Daniel Glaser,Vincent O'Leary,1966 The changes in behavior which follow the consumption of alcohol are a function of personality social circumstances and cultural traditions rather than physiological effects alone Standard personality tests fail to differentiate alcoholics from non alcoholics Tests show that a majority of persons arrested for felonies have been drinking especially in cases of armed assault and weapon possession Alcoholism is often associated with native offenses such as petty forgeries to finance drinking habits These alcoholic forgers are generally older and more educated than most criminals Chronic police case inebriates the largest arrest category in the United States are involved in disorderly conduct drunken driving and vagrancy offenses These cases are a heavy burden to parole boards because of recurrent drunkenness arrests in middle and old age The authors discuss the role of Alcoholics Anonymous in the treatment of alcoholics in the community and the prison

Evaluation of the Alcoholic ,1981

The Alcoholics Jim Thompson,2012-05-01 Dr Peter S Murphy needs fifteen thousand dollars by the end of the day or the city of Los Angeles can say goodbye to the El Healtho clinic A recovery center for the most severe cases of alcoholism in the state even if no one ever does quite seem to get dry there El Healtho has been the bane of Dr Murphy s existence ever since he started running it But now that its doors are about to close forever Dr Murphy finds he ll do anything to keep it open Up to and including admitting Humphrey Van Twyne III a patient with an extremely violent past whose wealthy family has the means to keep El Healtho open for business Sure the man isn t exactly an alcoholic And yes what he really needs is to be under the care of the surgeons who performed the lobotomy that s rendered Van Twyne all but a vegetable But the money s good until the rag tag group of ne er do wells at El Healtho begin to wreak havoc with Dr Murphy s plans and suddenly no one day has ever seemed so long A literary precursor to One Flew Over the Cuckoo s Nest The Alcoholics is Thompson like you ve never read him before a pitch black mad cap portrait of deviant behavior that is at once darkly comic humane and harrowing
