## **The Christ Within:**

The Christ Within Lillian Dewaters, 2007-03-01 Christian Science axiom dictates that it is faith in God that will heal all physical and mental ills In *The Christ Within* first published in 1925 Lillian De Waters provides a poetic and persuasive argument for the thesis that the power to heal oneself lies within the individual and is a matter sometimes of mental effort and sometimes of spiritual effort And while health generally connotes physical soundness De Waters addresses a more holistic view arguing that the way to peace of mind body and soul lies through the glorious embrace of Christ American spiritual thinker LILLIAN DE WATERS b 1883 was one of the first students of Christian Science eventually breaking off on her own to stress the inseparability of Jesus Christ and the primary divine force thereby falling between Christian Science and Orthodox Christianity She is also the author of *The Hidden Truth* and *The Great Answer the Message of Ontology*

HESSON, 2025-04-22 Every soul is on a journey and that journey leads ultimately to the realization that Christ is not just some distant separate figure but a living guiding presence within each of us The Christ Consciousness is not bound by one time one place or one person It is the pattern for what we are meant to awaken to the full realization of our divine potential as children of the One Living God The fullest expression of this Christ power the creative spirit of love and oneness came through Jesus of Nazareth the man who completely surrendered his will to the will of the Divine He became the living embodiment of the Christ Spirit not for his own glory but to show us the way He did not come to be worshipped he came to awaken us to the fact that what he was we are also called to become The journey of Jesus is our journey His birth life death and resurrection symbolize the inner transformation of every soul The Christ within is born in the heart of each person who seeks truth and walks in love The life of Jesus represents the challenges and triumphs we each must face to overcome ego fear and separation His death

symbolizes the surrender of the self and his resurrection is the awakening of the soul to eternal life and unity with God But this transformation doesn't happen automatically We must live it Not just believe in it but embody it day by day thought by thought The law is love and Christ is the fulfillment of that law not through external obedience but through inward transformation We cannot merely declare ourselves saved we must become the light We must live the fruits of the Spirit patience kindness humility faith forgiveness and love This is the New Covenant not of dogma but of direct experience Christ is not limited to any one church creed or religion Christ is the spark of the Divine in every soul waiting to be recognized and lived Every person of every faith and background who seeks truth and love with sincerity walks the path of the Christ whether they know it by that name or not We are all called to the same destiny to awaken the Christ within and to help awaken it in others not by preaching but by being a living example of love in action Jesus said You will do the works that I do and greater things He meant it That power lives in you not to inflate your ego but to remind you of your true nature This is the true message of the New Age that we are divine expressions of the One Source learning to walk as Christ walked to love as Christ loved and to become one with the Father as He did The time of blind faith is over The age of direct experience is here You do not need a mediator you need a mirror Christ is the pattern and you are the vessel Let the Christ within rise Let love be your guide Let your life become the testimony This is the gospel of the Christ within It is not new It is eternal But we are remembering it again This is the message for our time That the Kingdom of God is within you That the Christ lives in you That the Light is you when you choose to live in love This is not a retelling of the gospel This is the message Jesus intended all along the Christ within you awakened This is the living message of Christ not merely words on a page but a path to walk a truth to embody a light to carry It is not meant to stand apart from sacred scripture but to stand beside it offering renewed insight fresh perspective and practical guidance for the modern soul seeking union with the Divine This is not just something to read it's something to live

not gloss over suffering. Instead, it reveals how the Glory of Christ meets us in the raw places of abandonment, rejection, addiction, and loss, and rewrites the story with peace, governance, and hope. Inside these pages, you will discover Healing Pathways for Trauma: How the Spirit brings order to the nervous system, calms hypervigilance, and restores trust where it was once shattered. The Sacred Guardrails of Covenant: Understanding God's boundaries not as control but as divine protection that stabilizes identity and preserves destiny. Peace in Suffering: Why silence under accusation is not weakness but a higher form of strength that disarms chaos. Building Emotional Safety at Home: How to create a household atmosphere of peace, healing, and spiritual authority, an antidote to generational dysfunction. Activation Scrolls: Practical steps and meditations that help you embody Christ's glory in daily decisions, relationships, and thought patterns. This is not distant theory. From walking through rejection, fatherhood challenges, and emotional neglect to breaking free from addiction, Hudson writes as one who has been tested by trauma and transformed by the indwelling Christ. His voice is prophetic yet grounded, offering tools that are both theologically rich and psychologically sound. For seekers, believers, and anyone wrestling with wounds that seem unhealed, this book is an invitation: the Glory of Christ is not fragile. It reigns even in weakness, heals what was broken, and turns pain into the raw material of transformation.

**The Return of the Christ Within: The Glory of the Christ Within Volume 4 Book 1** is more than reading material; it is a living encounter with the healing Christ within. Step into the Glory. Let it touch your wounds. Let it govern your peace. Let it restore your story. If you are searching for trauma recovery, emotional healing, freedom from anxiety, Christian spirituality, addiction recovery, family restoration, or breaking generational cycles, this book was written for you. It offers prophetic wisdom, psychological clarity, and spiritual depth for anyone who longs to be whole. Readers will find comfort and strength whether they are overcoming childhood trauma, healing from toxic relationships, navigating grief and loss, or simply desiring a deeper walk with God. The insights shared here bring hope for rebuilding trust, restoring intimacy, and experiencing peace after years of chaos. This volume speaks directly to the heart of those who feel unseen, unheard, or unloved, reminding them that Christ within is the healer, protector, and governor of their lives. This book also addresses the deeper question of identity after trauma: Who am I beyond what happened to me? By combining prophetic revelation with practical psychology, Hudson shows how the indwelling Christ restores the self that trauma tried to erase. This is not just about healing wounds but about embodying a new way of living where peace governs decisions, love rebuilds relationships, and glory reshapes the story of your life.

**Christ Within** Lillian De Waters,1925 *The Light and Life of Christ Within* George Whitehead,1823 **The 12 Books of Christ Within: Book Two** Uzo Lekwa,David Lekwa,2018-08-29 Water Baptism he is the forerunner of Christ or one sent to prepare his way We need not go from house to house looking for Christ he is not there yet he is everywhere We need only to create his condition of purity and Christ would reveal himself to us Purity refers both to the spirit and to the spiritual condition he creates within us He is the bride to whom the groom shall come If Purity dwells in a man a city or nation the same man city or nation becomes the bride waiting for Christ the groom Unfortunately purity is not holiness the two are inversely related and none can lead to the other Holiness is physical he is of this world he is the falsehood and he dwells in the rich places of the earth He is an enemy to Christ Purity is the truth he is a spirit from above and he dwells in the wilderness of nothingness He ushers in the Christ John is the only authority on purity and no matter how many times Christ is expected to visit us purity must first be present to herald him This is the only book that teaches the world the nature or name

Within: Book Five Uzo Lekwa, David Lekwa, 2018-08-29 EVIL CONSPIRACY There is a grand conspiracy against Christ by all the powers of this world This conspiracy is effective and subsisting because man is on their side The chief conspirator is the temple a high profile spirit of this world It manifests in the worship of a higher being a worship day for the being its house of worship priests of worship and their uniforms homage offering or sacrifices to the being through its priests rites and rituals of worship rules laws and commands from the being to its worshipers This spirit is one and the same from the pagan era to Abraham to the Christian assemblies or the Islamic or oriental shrines no matter how reformed or modernized and no matter its differing names in this world It is not a creature of God it is from beneath It is blind and does not know the way to God It is the greatest enemy of Christ The two are in rivalry for the same role The temple has the advantage because it is a well beloved son of this world But Christ is greater than the temple Christ is from God and he is sent to lead man back to God In their last hour of conflict the temple killed the man in Jesus but could not kill the God God struck the temple and sent it into desolation and oblivion like the Ark of God Read about that hour of their conflict within you the man in you must die and the physical temple within you must be destroyed for the Christ to reign Read about other exalted thoughts that are currently shaping the life of men here and that have refused to shift grounds for Christ to do his new thing on earth
