Porter, 2013-08-29 For many aspiring academics the transition from doctoral student to classroom teacher is a challenging one The classroom culture the needed pedagogical skills and the expected level and type of work are significantly different in the two environments Nevertheless most doctoral students go on to teach in undergraduate or seminary classrooms To prepare the PhD students at McMaster Divinity College to negotiate this transition successfully the faculty holds a biennial colloquium covering the major dimensions both theoretical and practical of a Christian teaching vocation On the basis of the presentations of the colloquium the essential topics have been addressed in essays prepared for this volume for the benefit of all who aspire to excellence in their teaching especially those in Christian higher education

**The Christian Vocation** Colin A. Grant, 1980     **God at Work** Gene Edward Veith, 2002 When you understand it properly the doctrine of vocation doing everything for God's glory is not a platitude or an outdated notion This principle that we vaguely apply to our lives and our work is actually the key to Christian ethics to influencing our culture for Christ and to infusing our ordinary everyday lives with the presence of God For when we realize that the mundane activities that consume most of our time are God's hiding places our perspective changes Culture expert Gene Veith unpacks the biblical Reformation teaching about the doctrine

**God at Work** Gene Edward Veith Jr., 2011 Veith unpacks the Bible's teaching about the doctrine of vocation guiding readers in discovering God's purpose and calling in those seemingly ordinary areas of life     *NIV, Understand the Faith Study Bible* Zondervan, 2015-09-22 Grounded Truth for Life's Perplexing Questions The NIV Understand the Faith Study Bible with content from Christianity Today International provides a deep grounding in Scripture and gives you solid understanding for discussing your faith with others You will value the way this Bible keeps the joyful astounding nature of the gospel always in view when addressing doctrine and the pressing questions about what Christians believe Its content will help you understand what you believe and why while inspiring you to live for God Features Complete text of the accurate readable and clear New International Version 104 Everyday Faith devotions use stories and anecdotes to illuminate God's glorious nature 25 Culture Connections articles highlight customs holidays proverbs stories and sayings from around the world to illustrate classic Christian doctrines 40 Living Parables commentaries demonstrate how contributions of past Christians remain important today 75 Doctrine 101 articles explore the doctrines that have become the bedrock of Christian belief and why in today's world they are vital to know and believe 12 Up for Debate tables present multiple viewpoints on topics about which believers disagree 8 charts and graphs provide summaries of various theological concepts and arguments Foreword by Christianity Today managing editor Mark Galli
