striped uniforms marked with numbers Then followed years of inner transformation from a strict and regimented life of education and manual training as well as harsh punishments for speaking their own language or engaging in Indigenous customs The survivors also speak of being released from their school and having to decide between living in a racist and unwelcoming dominant society or returning to reserves where the Aboriginal culture had evolved In this newly updated fourth edition Knockwood speaks to twenty one survivors of the Shubenacadie Indian Residential School about their reaction to the apology by the Canadian government in 2008 Is it now possible to move forward
