## **The Chronicles Of Paradise Island:**

**The Chronicles of Paradise Island** Michelle Vatter,2005-06-01 Nestled deep in the South Pacific is the small island nation of Kermaina In recent years it has become a hot spot for tourists with its grand hotels and casinos shopping districts white sand beaches historical interests distinct and friendly people But Kerminia has a darker sidea When shadows grow long and the sun sets over the blue sea paradise creatures of darkness take control This is a safe haven for all things evil and all they desire beckons them to relax or learn [Bali Chronicles](#) Willard A. Hanna,2012-03-10 This book tells the story of Bali the paradise island of the Pacific its rulers and its people and their encounters with the Western world Balinese history tells a fascinating story For a thousand years the peculiar splendor of Balinese Hindu culture came very close to satisfying the social religious and artistic needs of the people The arrival of European visitors in the 1920s and 1930s soon made the island s magical charms known to the outside world and forever changed the real unspoiled Bali This is the story about the vulnerability and durability of an ancient culture to the modern world There already exists a wealth of literature on Balinese art and thought and the singularly beautiful Balinese way of life which often seems to outsiders like a lavishly costumed pageant continuously and merrily played out against a superbly scenic tropical backdrop A new introduction by Adrian Vickers a professor of history at the University of Sydney places the book into the context of the literature on Bali and the impact that the Western world and tourism are currently having on the island *A Island Life: Natural History Of Pulau Tengah, Johor, Malaysia* Batu Batu Resort Sdn Bhd,2017-11-27 Nine nautical miles off the east coast of peninsular Malaysia strung along the middle arc of the Seribuat Archipelago the roving eye will spot a clutch of sun washed islands Narrow the lens a little to focus on the middle island Pulau Babi Tengah or Middle Pig Island in the Malay language named after the wild pigs that used to roam its lands Set in the protected Johor Marine Park the island better known by its shortened name of Pulau Tengah is three kilometres in circumference with an elevation of 150m at its highest point Though just sixteen kilometres from the fishing town of Mersing Johor and 140km from Singapore the island ticks every fantasy of an uninhabited paradise island The beaches that encircle most of the island attract Green and Hawksbill turtles that land to lay their eggs from March to October The translucent waters that surround the island are home to both coral reefs and meadows of sea grass which in themselves house rich marine life Batu Batu sits on the southern end of the island and was built in the traditional Malaysian kampung or village style to blend into the natural landscape of the island The resort aims to tread lightly in order to preserve the beauty of the island and its natural surroundings To this end Batu Batu has set up a variety of projects and funded a number of studies over the past years including an ongoing collaboration with Malaysia s National Marine Parks Department and the Department of Fisheries for the conservation of turtles This book sets out to document and share a broad overview of the natural history of Pulau Tengah It is a dedication to the work of Batu Batu s staff and the various experts and nature lovers who have visited the island and contributed a little to its preservation Related Link s
