Chapman, Vladimir Latinovic, 2020-11-13 This volume dedicated to the memory of Gerard Mannion 1970 2019 former Joseph and Winifred Amaturio Chair in Catholic Studies at Georgetown University explores the topic of changing the church from a range of different theological perspectives The volume contributors offer answers to questions such as What needs to be changed in the universal church and in the particular denominations How has change influenced the life of the church What are the dangers that change brings with it What awaits the church if it refuses to change Many of the essays focus on people who have changed the church significantly and on events that have catalyzed change for the better or for the worse Some also present visions of change for particular Christian denominations whether over the ordination of the women different approaches to sexuality reform of the magisterium and many other issues related to change *The Church and the Changing Order* Shailer Mathews, 1907 **Mother Church** Carl E. Braaten, Carl Braaten here issues an energetic call for a truly ecumenical church including a Lutheran rationale for recovery of the historical episcopacy and papal primacy as servants of the gospel Braaten writes of the church's place in the divine scheme of things and of the various modernisms that distort or hide the classical Christian tradition Tracing his own ecumenical journey he outlines an ecclesiology of communion and advances specific proposals for enhancing Christian unity in liturgy spirituality and church polity The confessing movement named after Martin Luther he views in terms of its basic intent to reform and renew the church not to start a new Christianity in a multiplicity of separate denominations **These Daring Disturbers of the Public Peace** Brendan McConville, 2003-10-30 Jason Robert Brown's contemporary musical is honest and intimate with an exuberantly romantic score It takes a bold look at one young couple's hope that love can endure the test of time The Church of England Pulpit, and Ecclesiastical Review, 1885 *The Healthy Churches' Handbook* Robert Warren, 2014-12-09 A practical guide that helps churches identify their strengths and weaknesses and discover what action to take in order to develop the health of their church It focuses on the quality of the church's life rather than just the numbers attending **Dare to Dream** Jeffrey Hunter, 2018-01-17 Dare to Dream Sermons for African American Self Esteem is a collection of thirty five sermons with a message of liberation hope and high self esteem *The Church on the Other Side* Brian D. churches You ll discover the importance of redefining your mission of finding fresh ways to conceive of and communicate the Gospel and of entering the postmodern world by understanding it engaging it and debugging your faith from modern viruses McLaren believes we are in an epochal sea change perhaps even more significant than the last great cultural transition about 500 years ago when the world crossed over from the medieval to the modern era He believes that today s breakthroughs in communications education travel cultural diversity science economics politics and philosophy are combining to create a new matrix in which Christians will live worship work and pursue our mission We are exploring off the map writes Brian McLaren looking into mysterious territory beyond our familiar world on this side of the boundary between modern and postmodern worlds Even if you ve read this book s first edition *Reinventing Your Church* you ll find enough new and revised material here to warrant a second purchase And if you re encountering these concepts for the first time you ll find wise guidance to help you and your church begin the journey toward the other side of the postmodern divide You ll learn to think differently see church life and these revolutionary times in a new way and act with courage hope and an adventurous spirit
