The College Success Reader:

College Success Reader Robert Holkeboer, Jones Staff, 1997-09 **The Secrets of College Success** Lynn F. Jacobs, Jeremy S. Hyman, 2010-06-17 If you're currently a college student or plan on being one you need to check out this book. Written by award-winning professors Lynn Jacobs and Jeremy Hyman, it's loaded with insider information that only professors know but few are willing to reveal. The over 600 tips in this book will show you how to pick good courses and avoid bad professors, how to develop college-level skills and habits that'll put you ahead of the pack, how to get through the freshman comp, math, language, and lab science requirements in one try, how to figure out what's going to be on the tests and what professors are looking for in papers and presentations, how to pick a major you'll really like and be good at, how to get the edge for graduate school or the inside track to a really good job, and much more. The tips are quick and easy to use, and the advice is friendly and supportive. It's as if you had your own personal professor guiding you on the path to college success.

The College Success Reader Robert Holkeboer, 1998-01-01 [The College Success Reader](#) Robert Holkeboer, Thomas Hoeksema, 1998 This lively eclectic volume of essays about college life and learning is designed to stimulate small group discussion of such provocative issues as academic honesty, competition for grades, and diversity. **A Beginner's Guide to College Success (First Edition)** Jonathan M. Golding, Philipp Kraemer, David Daniel Royse, 2018-03-02 A Beginner's Guide to College Success is designed to address a wide range of topics that are of interest to aspiring or new college students, including financial decisions, choosing an area of study, adapting to new responsibilities, managing time wisely, and more. The guide begins by introducing the reader to the way college is structured and walking the reader through the preparations required to embark upon a college career. Preliminary chapters help the reader explore the value of a college education, begin to consider a major, and better understand the role credits, grades, and degrees play in the higher education system. Later chapters address the challenges different types of students, military veterans, those with disabilities, and student athletes, to name a few, may face as they transition from high school to college. These chapters also cover best practices for communicating with faculty members, succeeding in large lecture classes, dealing with reading assignments, how to get the most out of online learning, and more. The guide closes with a collection of chapters dedicated to studying, preparing for exams, and taking advantage of campus resources, including the library, to bolster personal learning. Full of tips and practical advice, *A Beginner's Guide to College Success* is a useful resource for any student considering college and wondering how it differs from high school.
