Using Journals With Reluctant Writers Scott Abrams, 2000-05-11 I loved the book and the soulful responses it generated from my reluctant writers Dee Conklin Ph D Teacher Reno Sparks Indian Colony Reno NV This journal program is authentic and gets students to write Because the journal topics reflect current issues my students respond positively And I get great insight into their lives Carol Popowich Resource Teacher Marshall Alternative High School Bend OR This is a book that is sorely needed I m impressed with the mature way the topics are presented to the students Rob Owens Teacher Washburn Rural High School Topeka KS This is one of the best books I have seen on topics for writing All students could benefit from this not just the reluctant writer Carol Miller Intervention Specialist Mineral Ridge High School Mineral Ridge OH Inspire your students to communicate and reflect through writing *Using Journals With Reluctant Writers* is an effective language arts tool for teachers especially those who teach at risk alternative and special education students Designed to inspire even the most reluctant writers journal topics are followed by non revealing non threatening exercises to introduce writing as a means of expression and to allow students to test teacher reactions Positive teacher responses then encourage students to move on to material that require more personal reflection and further elaboration Whether using the journals for daily practice or weekly assignments teachers can effectively lead students through critical thinking self discovery and ultimately more relevant and proficient writing Each chapter begins with a topical thought provoking quote and concludes with suggested videos and related readings that can be used for more comprehensive assignments *Using Journals With Reluctant Writers* also assists teachers and students in creating a complete language arts portfolio Highlights of this teacher s guide include

Expatriate Robert Myers,1995-08-30 This book is the first full length biographical and critical study of the American Realist author Harold Frederic 1856 1898 As London correspondent for the New York Times and the author of nine novels Frederic was internationally known at the time of his death today he is remembered mainly for his novel *The Damnation of Theron Ware* 1896 Drawing on archival and published material not available to earlier writers on Frederic Myers paints a fascinating portrait of the man and his times as an expatriate in London in the 1890s his friendship with James Crane Wells and their circle and the scandal surrounding his death at the age of 42 Frederic was a colorful fellow As a correspondent in London in the 1890s he knew Henry James Stephen Crane George Gissing and a host of other literary characters He fully lived a bohemian life keeping a real wife and a common law wife simultaneously fathering broods of children writing journalism and novels at a great rate and dying at 42 of overwork partly because he let his second wife talk him into refusing medical help leading to a scandalous court case Myers concentrates on four main themes Frederic as an expatriate his work as representative of the transition from realism to naturalism in American literature Frederic as a transitional author in the shift from 19th century to 20th century styles of publishing and Frederic as a representative of the fin de siecle Myers has worked extensively with Frederic s correspondence as well as in publishers archives especially Scribner s and he sees Frederic as a writer who flourished just as the American literary marketplace was being transformed from the rather poky 19th century model into the faster paced 20th century version so familiar today This biography will interest not just specialists and Frederic scholars but also anyone with an interest in American literary culture in one of its defining moments
