## **World Hunger And Social Justice:**

**World Hunger and Social Justice** Gary E. McCuen, 1986      **Rhetoric and Social Justice in Isaiah** Mark Gray, 2006-04-19 Rhetoric and Social Justice in Isaiah applies a literary methodology to the book of Isaiah in order to critically explore the nature and sources of the social justice encoded in the world created by the text. After a close reading of Isaiah 16-17, Gray establishes grounds for a trajectory to Isaiah 58 preparatory to examining if it offers a deepening of the concept of social justice in the Isaianic corpus. Gray raises the issue of divine reliability to assess the impact on the theme of social justice of the rhetoric of universal punishment by the divine prophetic voice. He evaluates the ways the stark Isaianic dichotomy between reliance on God and anything of human origin is affected by trust in God being destabilized if trust in God is demonstrated to be difficult on account of legitimate doubts about divine justice. Then the way is opened for retaining an active human role in the search for justice. Gray demonstrates the ways that social justice attains primacy in Isaiah, the ways that humanity is given a role in pursuing social justice, and the ways that Isaiah 58 impinges upon the idea of social justice within the book as a whole.

*Social Justice, Poverty and Race*, 2011-01-01 A clear understanding of social justice requires complex rather than simple answers. It requires comfort with ambiguity rather than absolute answers. This is counter to viewing right versus wrong, just vs unjust, or good vs evil as dichotomies. This book provides many examples of where and how to begin to view these as continuums rather than dichotomies.

Justice Goes To Church: The New Left in Modern American Evangelicalism Jon Harris, 2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today Yet it is going unnoticed in far too many circles Social Justice Goes to Church can serve as a wake up call Samuel C Smith Ph D Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas
