Realizing the Future of Nursing: VA Nurses Tell Their Story Department of Veteran Affairs Nurses, 2015-09-29 The stories told in this book reflect the hard work and dedication of the Veterans Affairs nurses who provide care to our nation's heroes. Four key messages outlined in the book help explain the important role of VA nurses:

- Key Message 1: Nurses should practice to the full extent of their education and training.
- Key Message 2: Nurses should achieve higher levels of education and training through an improved education system that promotes seamless academic progression.
- Key Message 3: Nurses should be full partners with physicians and other health care professionals in redesigning health care in the United States.
- Key Message 4: Effective workforce planning and policy making require better data collection and an improved information structure.

This book addresses the staffing issues in military healthcare with policy and workforce planning towards an improved information structure between the nurses, healthcare professionals, and physicians.

Keywords: Department of Veterans Affairs nursing program, Veteran Affairs VA nursing nurses, Veterans Affairs nursing education program, VA nursing education program, U.S. Department of Veterans Affairs, U.S. department of veterans affairs, VA staffing issues in military healthcare.

The Future of Disability in America Institute of Medicine, Board on Health Sciences Policy, Committee on Disability in America, 2007-10-24 The future of disability in America will depend on how well the U.S. prepares for and manages the demographic, fiscal, and technological developments that will unfold during the next two to three decades. Building upon two prior studies from the Institute of Medicine—the 1991 Institute of Medicine's report *Disability in America* and the 1997 report *Enabling America: The Future of Disability in America*—examines both
