Special Gift Of Wisdom:

The Common and Special Gifts of the Holy Spirit Jerry Mercer,2014-04-21 The Common and Special Gifts of the Holy Spirit seeks to propel us into the presence of the Most High God allowing entry into the spiritual realmone that we were created to be part of God was thinking about us before He created us thus we were spirits before we were ever adorned with this flesh Our spirit knows no age but does increase in power and ability This power increases until we reach eternity our beginning with no end God created precious gifts for us to enjoy along the waythe gifts of the Holy Spirit found in 1 Corinthians 12 in the Holy Bible He gave us the gifts of the word of wisdom the word of knowledge faith healings miracles prophecy discerning of spirits and tongues and their interpretation We are given common words of wisdom to keep us reverent to God allowing Him to guide our daily lives The Common and Special Gifts of the Holy Spirit explains that these common and special gifts are all given by God the Holy Spirit and they unlock the potential for us to have a spiritual encounter of the grandest magnitude Summa Theologica: Second Part of the Second Part St. Thomas Aquinas,2018-02-06 The third volume in this epic and classic undertaking by one of the most notable theologians of the Roman Catholic Church This volume features theological considerations towards such topics as Virtues Fortitude and Temperance Graces and States of Life and other important topics that we often take for granted in our thinking in the church and in worship towards God These topics must be carefully considered if we are to ever have a deep understanding and love of the one true God and his son Jesus Christ The "Summa Theologica" of St. Thomas Aquinas Saint Thomas (Aquinas),1917 Summae theologiae partis I quaestiones 75-77 Saint Thomas (Aquinas),1917 **Catholic World** ,1909 *Homiletic Review* ,1893 **The Succession Principle** David L. McKenna,2014-12-23 Succession is the hot topic in leadership development but the subject has rarely been addressed in Christian literature As a college university and seminary president who experienced three successions in leadership David McKenna is eminently qualified to speak on the subject He begins by introducing us to the Succession Principle What we bring to leadership is important What we do in leadership is more important What we leave from our leadership is most important of all Once our priority shifts from success to succession the door is open to read John 17 as the Prayer of Succession for Jesus In this final report Jesus transfers to his disciples and to us the same enduring trust transforming truth and unifying love that he has received for leadership from his Father With these legacies come specific gifts of succession to complete our task develop disciples advance the kingdom and see the fulfillment of Christ s promise Greater things than these shall you do Succession in the spirit of Christ then is written not in terms of success but in the seamless transition of sustainable gifts culminating in the gift of greater things **The expositor's Greek Testament [with comm. by various scholars] ed. by W.R.
