**SHE-Q** Michele L. Takei,2012-10-17 This book takes readers on a fascinating intellectual journey that showcases SHE Q as the next great emerging intelligence a force that can remake the world The hypothesis of SHE Q Why Women Should Mentor Men and Change the World is straightforward its potential enormous Females SHE Q declares are the superior whole brained empathic sex Society's failure to recognize that fact has caused women to labor under a limited male perspective skewing their knowledge capping their wisdom and separating them from Nature themselves and each other But it doesn't have to be that way Interweaving personal vignettes with broad based research the book marshals evidence from history science psychology and philosophy to underscore the validity of SHE Q It shows how the female brain works differently from the male brain better integrating the left and right hemispheres so that SHE Q transcends both IQ intelligence quotient and EQ emotional intelligence Laying out a new feminine based understanding of the way women and men think and behave author Michele Takei demonstrates how women can apply this new found knowledge to mentor the men in their lives and achieve true equality

**The Handbook of Gender, Sex, and Media** Karen Ross,2013-12-04 The Handbook of Gender Sex and Media offers original insights into the complex set of relations which exist between gender sex sexualities and the media and in doing so showcases new research at the forefront of media and communication practice and theory Brings together a collection of new cutting edge research exploring a number of different facets of the broad relationship between gender and media Moves beyond associating gender with man woman and instead considers the relationship between the construction of gender norms biological sex and the mediation of sex and sexuality Offers genuinely
