E. "Doc" Smith, 2018-04-23 Bursting right through the four dimensional travel zone of subspace Tellurian psiontists make an amazing discovery on the other side Beyond the bounds of subspace a parallel universe is cruelly ruled by a violent murderous empire the Justiciate where psiontists are ruthlessly hunted down and fed to giant eagles And within the Justiciate are lodged spies and traitors dedicated to its overthrow evil agents of the proud Garshan master race The arrival of the psiontists from Tellus triggers off a truly spectacular space adventure We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **The Universes of E. E. Smith** Ron Ellik, William Harrington Evans, 1966 This is the definitive concordance to the epic *Lensman* and *Skylark* novels with which the late Doc Smith

enthralled science fiction readers for so many years Edward E Smith stood unchallenged as the inventor and foremost author of science fiction interstellar stories on the grand scale He was known as the man who opened the Galaxy to science fiction He wrote *The Skylark of Space* in 1920 but the vastness of its concepts was so far in advance of the rudimentary science fiction of the time that it was not sold until 1927 to the newly founded *Amazing Stories* This comprehensive concordance has entries for characters places events and many other topics in the *Lensman* and *Skylark* novels The entries range from only a few words for such minor subjects as X plosive to almost six pages for Kinnison Kimball Both scholarly and sprightly it is intended for those with nostalgic affection for the space opera days of science fiction s early youth when intergalactic adventure was brand new The book includes a bibliography by Al Lewis and black and white illustrations by Bjo *American Book Publishing Record* ,1985
