My Own Story (Vintage Feminism Short Edition) Emmeline Pankhurst, 2018-06-28 Vintage Feminism classic feminist texts in short form WITH AN INTRODUCTION BY JESS PHILLIPS Soldier criminal militant hooligan revolutionary these labels Emmeline Pankhurst took up and wore proudly in her long struggle for women's suffrage This shortened edition of her autobiography tells the inside story of this struggle the tireless campaigning the betrayals by men in power the relentless round of arrests and hunger strikes the horror of force feeding It is a reminder of the controversial means the indomitable spirit and the sacrifices of life and liberty by which women won their political freedom ALSO IN THE VINTAGE FEMINIST SHORTS SERIES *The Second Sex* by Simone de Beauvoir *A Vindication of the Rights of Woman* by Mary Wollstonecraft *The Beauty Myth* by Naomi Wolf *A Room of One's Own* by Virginia Woolf **The Suffragettes and After** J. F. Aylett, 1987 This text is part of a series encompassing the popular topics taught in years 1-3 which aims to develop early on those skills which form the basis of the GCSE exam *The Suffragette* Estelle Sylvia Pankhurst, 1912 *Women's Suffrage in Word, Image, Music, Stage and Screen* Christopher Wiley, Lucy Ella Rose, 2021-07-13 This collection of essays explores the myriad ways in which the women's suffrage movement in Britain in the nineteenth century and twentieth century engaged with and was expressed through literature art and craft music drama and cinema Uniquely this anthology places developments in the constituent arts side by side and in dialogue rather than focusing on a single field in isolation In so doing it illustrates how creative endeavours in different artforms converged in support of women's suffrage Topics encompassed range from the artistic output of such household names as Sylvia Pankhurst and Ethel Smyth to the recent feature film *Suffragette* It also brings to light under represented figures and neglected works related to the suffrage movement A wide variety of material is explored from poems diaries and newspapers to posters dress and artefacts to songs opera plays and film Published in the wake of the centenary of many women receiving the parliamentary vote in the UK this book will appeal to scholars undergraduate and graduate students and members of the public interested in the broad areas of women's history and the women's suffrage movement as well as across the arts disciplines **The Women's Suffrage Movement** Elizabeth Crawford, 2003-09-02 This widely acclaimed book has been described by *History Today* as a landmark in the study of the women's movement It is the only comprehensive reference work to bring together in one volume the wealth of information available on the women's movement Drawing on national and local archival sources the book contains over 400 biographical entries and more than 800 entries on societies in England Scotland and Wales Easily accessible and rigorously cross referenced this invaluable resource covers not only the political developments of the campaign but provides insight into its cultural context listing novels plays and films **The Militant Suffrage Movement** Laura E. Nym Mayhall, 2003-11-06 The image of upper class women chaining themselves to the rails of 10 Downing Street smashing windows of public buildings and going on hunger strikes in the cause of votes for women has become lore among feminists in effect separating women's

fight for voting rights from contemporary issues in British political history and disconnecting their militancy from other forms of political militancy in Britain in the 19th and early 20th centuries Mayhall examines the strategies that suffragettes employed to challenge the definitions of citizenship in Britain including the origins of resistance s origins within liberal political tradition its emergence during Britain s involvement in the South African War and its enactment as spectacle

The Women's Suffrage Movement Maroula Joannou, June Purvis, 1998 Available in paperback for the first time this important collection of essays illustrates the complexity richness and diversity of the suffrage movement Combining historical reappraisal with lively accounts of the culture of the women s suffrage movement this volume offers a unique focus It includes studies of the fascinating but neglected groups that participated in the campaign the Women s Franchise League the Women s Freedom League the Women s Tax Resistance League and the United Suffragists This is accompanied by feminist research on the poetry fiction and drama that emerged from women s struggle for the vote In addition there are reappraisals of two leading figures in the Pankhursts Women s Social and Political Union an illuminating analysis of the relationship between suffrage and sexuality and a discussion of what happened away from the metropolis as well as of the little known campaign to extend the vote after 1918 **Feminism and Feminists After Suffrage** Julie V. Gottlieb, 2017-10-02 What happened in women s history after the vote was won Was the suffragette spirit quashed by the advent of the First World War and due to the achievement of women s partial 1918 and then equal 1928 suffrage thereafter by having to wait to be reclaimed by the Women s Liberation Movement only in the late 1960s This collection explores how individual feminists and the feminist movement as a whole responded to the achievement of the central goal of votes for women For many the post suffrage years were anti climactic and there is no disputing that the movement was in numerical decline struggling to appeal to a younger generation of women who knew nothing of the sacrifices that had been made to secure their citizenship rights and new freedoms However feminists went in new and different directions identifying pressing issues from pacifism to religious reform from local activism to party politics Women also organised around causes that were not explicitly feminist or were even anti feminist and this book makes the important distinction between women in politics and women s feminist activism The range of feminist activism in the aftermath of suffrage speaks for the successes and mainstreaming of feminism and contributors to this volume contest the narrative of a terminal feminist decline between the wars This book was originally published as a special issue of *Women s History Review* Woman's Suffrage ,1909 Information Quarterly ,1915 *The Delineator* R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1908 Issue for Oct 1894 has features articles on
