The Medusa Code Murat Ukay, 2022-05-11 Are You Ready to Read the Best Pandemic Science Fiction Novel of the World Could there be an important secret that has been hidden for thousands of years in the symbol of the snake climbing the tree which is the symbol of medicine Can the source of diseases be the Devil Could it be a coincidence that the snake figure in the scriptures is also a symbol of Devil Moreover could this most evil creature of all ages have been hiding underground somewhere in the world using the name of a mythological being the snake headed Medusa Moreover could Hell have actually been there as well Yes in fact everything on Earth began with the first beginning of humanity with the story of Devil setting him up that is being expelled from Heaven However everything in our story began at the end of the 1980s when a group of German scientists digging underground in the depths of the Bavarian forests in southern Germany heard some strange sounds and screams coming from underground As a result of many years of excavation and drilling they discovered a tunnel extending thousands of kilometers underground This tunnel was actually a gate to Hell and Devil Upon hearing and recording these horrible sounds they were frightened and after a while the project was left unfinished In the early 2020s a health organization with the world s most secret and evil power under the leadership of a horrible evil man Dr Cornelli nicknamed Frankenstein in order to reach the source of this sound and communicate with it he continued this project which was left unfinished after 40 years and started a big project called Medusa This horrible person who also introduces himself as the White Angel of Death has been secretly managing this project for years in order to develop new species and viruses that will destroy life and humanity on earth through genetic studies by conducting animal experiments among various species in a laboratory On top of that his only purpose now is to follow the orders of this Devil that lives underground By the 2040s there is no scientific explanation for the cause of rapidly spreading virus outbreaks all over the world Billions of people are in quarantine and many have died in these epidemics Moreover a series of murders and assassinations especially involving medical doctors and professors began at that time Everyone connected with Herbert Johnson a professor of History and Mythology who is trying to uncover the truth of the virus begins to be killed by a horrible chain of assassinations Prof Herbert Johnson and everyone he wants to help fight this evil are now waiting for death as a victim in the goal of this evil force along with billions of people fighting in the grip of the virus In contrast the American Archaeologist John Smith and his Russian friend Professor of Archaeology Prof Gregory Kravnik is the only one who can stop them albeit at the cost of their lives and for this they have to fight with them Moreover if they cannot stop them and this unseen evil force now their own lives are in danger along with billions of others The only way to stop this impending

Apocalypse is to find a lost statue of Medusa the location of which no one knows located at the entrance to the tunnel leading to this underground hell Because a secret gate inside this statue of Medusa is the beginning of a long and difficult path towards Devil the source of all these evils and diseases The Medusa Code will drag you to one of the 7 gates of Hell in the underground Are You Ready Gate to Hell *The Flame Within* Eric Noss,2008-04 The royal seat of Keepers Garden has been usurped through assassination and the loose confederation of city states within its borders is crumbling After months of conflict the Liberation and Imperials have emerged as the two major contenders for the throne But as one battle draws to a climax another darker cloud looms on the horizon The Flame Within follows Spirit Knight Aralon Mittel part of a select elite of the soldiery trained in magic and the sword since late childhood Yet Aralon is less known for his personal achievements than he is for being the younger brother of the missing Hyval Mittel the Garden s greatest Spirit Knight Aralon is accompanied by Darvin Hegg his former instructor and now his second officer and Kiyana Irhan a Mist Elf from beyond the reaches of the Garden Join them as they attempt to end the Garden s civil war and are propelled into a conflict more profound than any had ever imagined **If I Survive** Celeste-Marie Bernier,2018-08-01 Previously unseen speeches letters autobiographies and photographs of Frederick Douglass and his sons Lewis Henry Frederick Jr and Charles Remond Douglass from the Walter O Evans collection While the many public lives of Frederick Douglass as the representative fugitive slave autobiographer orator abolitionist reformer philosopher and statesman are lionised worldwide If I Survive sheds light on the private life of Douglass the family man For the first time this book provides readers with a collective biography mapping the activism authorship and artistry of Douglass and his sons Lewis Henry Frederick Jr and Charles Remond Douglass In one volume the history of the Douglass family appears alongside full colour facsimile reproductions of their over 80 previously unpublished speeches letters autobiographies and photographs held in the Walter O Evans Collection All of life can be found within these pages romance hope despair love life death war protest politics art and friendship Working together and against a changing backdrop of US slavery Civil War and Reconstruction the Douglass family fought for a new dawn of freedom Marking the 200th anniversary of Frederick Douglass birth this first collective history and comprehensive collection of the Douglass family writings and portraits sheds new light not only on Douglass as a freedom fighter and family man but on the lives and works of Lewis Henry Frederick Jr and Charles Remond As civil rights protesters essayists autobiographers and orators in their own right they each played a vital role in the struggles for the cause of liberty of their father As published here each of their original writings and portraits is accompanied by an explanatory essay and in depth scholarly annotations as well as a detailed bibliography Recognising that the Frederick Douglass that is needed in a twenty first century Black Lives Matter era is no infallible icon but a mortal individual If I Survive situates the lives and works of Douglass and his family within the social political historical and cultural contexts in which they lived and worked Each unafraid to die for the cause they dedicated their lives to the emancipation of the slave and to social justice by every means
