## **The Castlemaker:**

**The Castlemaker** Nell Harris, 1986      **Poet on Mars** N.C. Dovegate, 2019-05-30 The eerie void of outer space is filled with the ethos of New Mexico's alien wilderness in N.C. Dovegate's second collection of poetry Poet on Mars Fascinated and awestruck by the Land of Enchantment the author's imagination takes mystery and enigma to the realm of narrative Featuring four short stories alongside an original series of flash fiction the poet's journey from logic to lore Earth to the unknown reads as a chilling reminder that things are not always as they seem and the future may prove stranger than expected      Englisch-Deutsches und Deutsch-Englisches Wörterbuch Josef Leonhard Hilpert, 1845      **The Journey of 30 Moments** Hardik Rustagi, 2020-04-23 The 30 moments that iNTELLYJELLY's budding writer Hardik has captured so vividly encompass such fleeting moments of his subconscious which one may sometimes not recognize or come to terms with 16 year old Hardik has however gone a step further and replicated these nuances into words The sky the demons the moon the mountains the loneliness time screams and dreams Hardik's imagination knows no bounds in this collection of 30 random events as he himself puts it iNTELLYJELLY feels ecstatic to present The Journey of 30 Moments a book that has been selected for its Budding Writer series where young aspiring writers are offered a platform to display to the world their innate creative expression in the form of their very own book      Playboy Surgeon, Top-Notch Dad Janice Lynn, 2010-03-01 Single mom Blair Pendergrass guards her heart fiercely especially against men like her new boss notorious playboy and heart surgeon Dr Oz Manning Heart healer Heartbreaker more like Vulnerable Blair is exactly the sort of woman Oz usually runs a mile from He doesn't have much faith in relationships and he's not about to start making promises to Blair and her adorable little girl however much he wants to But might this beautiful nurse be the one to make Oz finally believe in forever      **Dawnbringer: The Complete Story** Joshua Elzner, 2024-04-08 A complete epic medieval fantasy saga Dawnbringer is a series of novels set in the world of Ierendal upon the small continent of Telmerion cold and rugged and yet inhabited since the beginning of human history by the first family of humankind Though the setting is high fantasy a work of co creative imagination fashioning a mythical world with its own history and geography the plot and the ins and outs of the world are deeply realistic portraying as it were an ancient and long forgotten past of our own world Or more precisely what is offered here is a mythical exposition of the true past that we all share with very little magic or other fantasy tropes but with a great deal of magic in other words a world filled with wonders and terrors of all kinds from the ancient guardians of the world the Anaion to vicious and deadly beasts such as dragons e tenga and druadach The characters find themselves caught in the cosmic battle between light and darkness between the weakness of love and the power of hate which casts its rays and its shadows also into the heart of every man and woman The journey marked out before their feet calls for integrity fidelity and heroism and also something even more something that lies at the heart of every good adventure and every life and which is the very measure of man When Eldarien returns to his homeland after many years away burdened by the awareness that he has

perpetrated great evil at the hands of an Empire whose knight he has become he encounters a continent riven by strife and war and threatened by creatures even more horrifying born of the very darkness itself He wishes to lay aside the sword to leave behind a past marked with violence and bloodshed but he also longs to aid his people against the forces that endanger their very existence And such a path he cannot walk alone facing obstacles both within and without and he finds given to him both the light that he wishes to serve and friends to share the journey All the while the land that he loves slides inexorably into conflict into what shall be known henceforth as the War of Darkness and he and those to whom he is joined are called upon to share the fate of their people looking forward in hope to the promised coming of dawn after darkest night Throughout time myth has been one of the fundamental activities of the human heart as it seeks to contemplate and understand the mystery of reality to find a path through the fabric of history as its tapestry is ever woven a path that unveils meaning in the enigmas of life and gives sense and stability to the drama of existence But especially the activity of myth of fantasy is born of a primal wonder before the awesome miracle of being and of the fundamental human activity which is play and serves to keep this wonder and play alive always In precisely this way it has been and shall always be a catalyst to enkindle and deepen the longing in the heart of each one of us for redemption for a new and better world a world where righteousness and happiness dwell and all is freedom and purpose unity and harmony ecstatic delight and true adventure Such does Dawnbringer humbly seek stepping into the flowing current of thought and imagination as it surges on through history offering in a narrative of proportions both intimate and epic a glimpse of the light that shines upon us all and of the conflict that resides at the center of every life that the weak again may be strong and the child again may be king
