Star Trek: The Centre Cannot Hold Mike W. Barr, 2006-09-01 MERE ANARCHY A new six part epic covering thirty years of Star Trek history continuing with an adventure that takes place during the historic five year mission Book 2 THE CENTRE CANNOT HOLD A few years after the disaster on Mestiko the Payav are struggling to rebuild in the wake of the pulsar s damage The Starship Enterprise returns with a plan to help restore the planet s atmosphere But the Klingon Empire has also taken an interest in Mestiko and has come to the aid of one of the world s many factions Captain James T Kirk finds himself once again pitted against the Klingon commander Kor with the fate of Mestiko at stake **The Centre Cannot Hold** Tom

Collins, 1983 [The Unheard Voice of God](#) Lee Roy Martin, 2019-05-21 With the wealth of colorful characters described in the book of Judges scholars and general readers alike have a strong fascination for Israel s leaders in its earliest days Theologians and biblical scholars from Luther on have found it difficult to relate to these figures From a Pentecostal point of view in particular those characters can sometimes be an embarrassment as their personal lives appear to be in stark tension with the purity conscious holy life to be expected of those touched by the Spirit of God Apart from the moments of power where is God in the lives of these characters As the title suggests it is time to listen and learn from God s role and perspective in these stories who in faithfulness to his covenant acts with constant patience to save his flawed servants Through a fresh hearing of The Unheard Voice of God the positive message of the book of Judges can become more apparent and accessible Readers are shown a crucial part of the book s dynamics which they may have missed **The Dream**

Chronicle — Book Two Dave Rotenberg, 2023-11-20 It s a future time A time of extremely long life spans almost perfect health human colonization of planets throughout the galaxy and dreamlessness It has been over three hundred years since any human being s sleep has been disturbed by the anarchy of dreams Centuries earlier at the time of the first alien contacts humanity made the proverbial trade with the devil its basic freedoms in exchange for security and safety An unexpected side effect of this swap was the gradual cessation of dreaming Then an S3 fully armed starship disappears through a hole in space A GATEWAY All that remains of the huge vessel is a scattercast message heard throughout the galaxy YOUR MACHINES ARE USELESS HERE YOUR WAY OF THINKING IS OF NO VALUE HERE FOR BEYOND HERE LIE DREAMS The Dreamers are in trouble Cas never made it off of Moscovy and is shortly going to be a prisoner of a powerful Russo matriarch The other four dreamers are dealing with Mama the AIU who seems to have lost her mind They land in order to get Mama a doctor and stumble across cave drawings and a blind painter who is clearly one of them Meanwhile back on New Omaha Beach Danazir Yi Qal breaks out of the ether dome and tries to find the Outlanders the only ones not infiltrated by Cyrus Malone and his S3 thugs Slowly it s coming into view for Mickelmast that Homer s great poem The Iliad somehow holds the secret to all of this to the Gateway to Dreaming to everything [Bones of the Ancestors](#) Brian Egloff, 2008 The 3 500 year old Ambum Stone from Papua New Guinea is the focus of several archaeological stories The stone itself is an interesting artifact an important

piece of art history that tells us something about the ancient Papuans The stone is also at the center of controversies over the provenance and ownership of ancient artifacts as it was excavated on the island of New Guinea transferred out of the country and sold on the antiquities market In telling the story of the Ambum Stone Brian Egloff raises questions about what can be learned from ancient works of art about cultural property and the ownership of the past about the complex and at times shadowy world of art dealers and collectors and about the role ancient artifacts can play in forming the identities of modern peoples Book jacket *The System of Chaos in "The Second Coming" by William Butler Yeats. How is the Breakdown of the World Depicted?* Francesca Cavaliere, 2016-03-15 Seminar paper from the year 2011 in the subject Didactics for the subject English Literature Works grade 1 0 University of Potsdam Anglistik Literatur course Symbolism and Modernism in British Poetry language English abstract The Second Coming was composed by the Irish poet William Butler Yeats in 1919 in the aftermath of the First World War and was first published in November 1920 The present paper examines what enables the speaker to envision the Second Coming and how his vision is linked to the Biblical model How is the breakdown of the world depicted and what are revealed to be its possible causes The poem's title The Second Coming makes reference to the Biblical reappearance of Christ as prophesied in Matthew 24 and the Book of Revelation of St John in the New Testament According to Christian belief Christ will return to conquer Satan and the forces of evil before presiding over a thousand year reign of peace on Earth True to the Biblical pattern the speaker of the poem envisions the breakdown of the present state of the world and the dawn of a new age He adds however a sinister twist to the idea of the Second Coming suggesting that the return of Christ might just as well become the arrival of the Antichrist I will consequently go on to conclude that the poem presents the world as a perfectly balanced system of two opposing forces or principles such as centrifugal vs centripetal force in physics democracy vs aristocracy in politics Christ vs Antichrist in religion etc Whenever this opposition is completely cancelled chaos will be its consequence All this is however not to say that chaos sounds for the final phase of existence On the contrary it denotes but a phase of transition as the world is subject to constant change and history moves in a cyclic pattern Chaos can hence be described as being part of a greater system I will proceed in a more or less chronological order starting with the 1st stanza where the speaker describes the present state of the world The focus will be put here on the omnipresence of chaos and its relation with the laws of physics political systems and the divine judgement The second main part of the paper will deal with the 2nd stanza which presents the speaker's future vision of the Second Coming The detailed description of the Antichrist in the poem will be compared to the depiction of Christ in the Bible In the last stanza the speaker looks back in history as if to back up his prophetic vision of the breakdown of the Christian era **The Theosophist**, 1921 **The Dial** Francis Fisher Browne, Waldo Ralph Browne, Scofield Thayer, Marianne Moore, 1921
