Reid,2023-07-04 Slow Surrender is a book which explores a side of the Christian faith which is not always expressed that of
struggle and suffering The author has a chronic illness and has found the last few years difficult Nevertheless as she has
wrestled with her faith thinking about what it means to live a life marked by pain largely hidden from the rest of the world
and certainly not the heroic life she once imagined a Christian life would be she has found that underneath are the
everlasting arms She has discovered more deeply than ever how her God is her refuge and how He gives her more grace as
the burdens grow greater In the collection you will find poems of hope and poems closer to despair but through all the poems
runs the common theme of seeking to trust that her God is faithful that He has a plan for her life and that one day He will
