*My Father's Shadow* P. M. Smith, 2019-03-19 Vanessa Collins has known her life's destiny since she was a child. Now as an adult, Vanessa is on the verge of fulfilling the very purpose for which she was created. Before she can carry out this purpose, God creates events that cause her to deal with her deceased father's ideologies, her older brother's huge sense of entitlement, and the biggest test of all: facing her own faults and insecurities.

**To Dance in the Desert** Kathleen Popa, 2007 Having witnessed the violent deaths of both her husband and father in one terrible day, Dara flees to the solitude of a secret house in a remote desert valley. But she is not alone for a strange woman dances on the distant sands of the desert. Further, Dara begins to hear a voice in the wind that whispers it loves her and invites her to dance. Follow Dara as she learns the art of loving despite her fears, discovers the mother who abandoned her long ago, and surrenders at last to the rhythm of grace.

**Filling Our Father's House** Shaun McAfee, 2015-04-06 Converts often bring to the Catholic Church an evangelical zeal that can renew and energize even the most tired and battle-weary among us. The Church is hurting for enthusiastic voices to proclaim her teachings on truth and morals. In these pages, Shaun McAfee, a convert from Evangelical Protestantism, shows how we can take the best tools of evangelization and use them to reach countless souls with the fullness of the Christian Faith. With Shaun's help, you'll learn simple ways you can make the visitor in your parish more at home, how to speak compellingly about the Faith, simple ways to integrate daily Scripture reading into your life, why small groups are important for spiritual enrichment, and how to communicate with souls who have never considered joining the Catholic Church. The simple steps Shaun outlines in these pages will also show priests and lay leaders how to more effectively engage modern society with our Catholic Faith. Our society is awash in secularism. It's eating away at the sense of God and the emptying of the pews in our own parishes is its natural effect. What we need is a renewal of enthusiasm for the battle against secularism, and this book is a beginner's guide to getting us back on track.

Selling Your Father's Bones Brian Schofield, 2009-02-03 Part historical narrative, part travelogue, and part environmental plea, *Selling Your Father's Bones* recounts one of the most astonishing journeys in the history of the American West. The year 1877 bore witness to a broken promise. Joseph, chief of the peaceable Nez Perce band who made their home in Oregon's Wallowa Valley, had long sworn to uphold the dying words of his father: "This country holds your father's body. Never sell the bones of your mother and your father." Yet as the U.S. government confined the tribe to ever smaller reservations in favor of miners and ranchers in their westward sprawl, the fateful decision of several young Nez Perce warriors to attack the settlers set in motion an exodus from Joseph's ancestral home. For the next eleven weeks, seven hundred Nez Perce men, women, and

children traveled 1 700 miles across inhospitable wilderness engaging the chasing army in six battles and many more skirmishes as they drove on in search of peace and freedom Just forty miles from the Canadian border the tribe survived a calamitous five day siege until Joseph could no longer bear his people s suffering and surrendered It is said that when he died in 1904 the cause was a broken heart Populated with the heroes and villains of a classic conflict *Selling Your Father s Bones* intercuts the Nez Perce s fight for survival with the author s own travels across this very same terrain the mountains forests badlands and prairies of modern day Oregon Idaho Wyoming and Montana The imposing Bitterroot Mountains the Lolo Pass then and now among the toughest mountain crossings on the North American continent and the great Montana buffalo plains retain their majesty Yet as Schofield reveals ecological vandalism unthinking corporate policies and dubious political leadership have wrought scarred landscapes battered communities and toxic environments whose realities must be borne by the living descendants of both the Nez Perce warriors and the European settlers As Schofield walks among the people who now occupy these sacred lands he sees in the values of the Native American West love for homeland for ancestry and for Mother Nature a route to their and our salvation New York Court of Appeals.
