Small Town Girls Pamela Wallace, 1992-04-02 The story of four women who move from small town roots in California to find fame and success in the world s capitals *Youth Identities, Localities, and Visual Material Culture* Kristen Ali Eglinton, 2012-10-05 This invaluable addition to Springer s Explorations of Educational Purpose series is a revelatory ethnographic account of the visual material culture of contemporary youths in North America The author s detailed study follows apparently dissimilar groups black and Latino a in a New York City after school club and

white and Indigenous in a small Canadian community as they inflect their nascent identities with a sophisticated sense of visual material culture in today's globalized world. It provides detailed proof of how much ethnography can add to what we know about young people's development in addition to its potential as a model to explore new and significant avenues in pedagogy. Supported by a wealth of ethnographic evidence, the analysis tracks its subjects' responses to strikingly diverse material ranging from autobiographical accounts by rap artists to the built environment. It shows how young people from the world's cultural epicenter just like their counterparts in the sub-Arctic construct racial, geographic, and gender identities in ways that are subtly responsive to what they see around them, blending localized characteristics with more widely shared visual references that are now universally accessible through the Web. The work makes a persuasive case that youthful engagement with visual material culture is a relational and productive activity that is simultaneously local and global, at once constrained and enhanced by geography and possesses a potent and life-affirming authenticity. Densely interwoven with young people's perspectives, the author's account sets out an innovative and interdisciplinary conceptual framework affording fresh insights into how today's youth assimilate what they perceive to be significant. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
