**Spend Game** Jonathan Gash,2013-03-21 When Lovejoy witnesses a car crash that turns out to be a murder with one of his oldest antique dealer friends the victim he sets out on a trail of revenge that leaves him pondering several bewildering questions Why did his friend buy up a load of junk furniture What did he want with an old doctor s bag Why was his friend killed Who was trying to kill Lovejoy and most perplexing of all what the hell is he doing potholing through underground tunnels dodging armed hit men

Eating Disorders and Child Sexual Abuse Lisa Hodge,2021-03-10 This book takes up the challenge of examining women s understandings of eating disorders and child sexual abuse away from a framework focused on pathology The central argument is that women s distress is an enactment of their engagement with certain discourses and practices rather than a reaction triggered by child sexual abuse Guided by a contemporary feminist framework and Mikhail Bakhtin s sociological linguistics to substantiate the argument women s own poetry and drawings are used as evidence to develop support and supplement research findings The book establishes that an eating disorder is an understandable response to sexual trauma and shifts the focus away from a damaged personality Even more importantly it demonstrates that women with eating disorders are using their bodies as a form of resistance to express silenced traumas that remain in the silenced female body This is an active way of making sense of experiences of child sexual abuse
