## **Soapy Smith:**

**Soapy Smith** Charles River Editors, 2019-09-27 Includes pictures Includes a bibliography for further reading Before there was Charles Ponzi there was Jefferson Randolph Soapy Smith II The famed Old West con artist and gangster's criminal career ranged from Texas to Alaska from Denver to the Klondike But Smith was not predestined to become a criminal if genetics and environment typically determine one's destiny he could have become a farmer a lawyer or a politician He was born in Coweta County Georgia on November 2 1860 to Jefferson Randolph Smith Jr and Emily Dawson Smith right as the Southern society his family was a part of was on the verge of suffering the cataclysm of the Civil War Like many men in the years after the Civil War Soapy would make his way west where frontier towns often popped up immediately and were established long before the law could reach them At the same time the Civil War had come less than 15 years after the California Gold Rush brought an estimated 300 000 people to the Pacific Coast with men dangerously trekking thousands of miles in hopes of making a fortune This was a pattern that would repeat itself across the West anytime a mineral discovery was made from the Southwest and Tombstone to the Dakotas and Deadwood Of course it was all made possible by the collective memory of the original gold rush and when gold was discovered in the Yukon and Alaska almost 50 years after the rush in California it drew tens of thousands of prospectors despite the unforgiving climate Mineral resources had gone a long way in the United States acquiring Alaska a generation earlier but the lack of transportation kept all but the most dedicated from venturing into the Yukon and Alaska until the announcement of the gold rush For a few years the attention turned to the Northwest and thanks to vivid descriptions by writers like Jack London the nation became intrigued with the idea of miners toughing out the winter conditions to find hidden gold Of course despite the mythology and the romantic portrayals that helped make the Klondike Gold Rush most of the individuals who came to make a fortune struck out instead The gold rush was a boon to business interests which ensured important infrastructure developments like the railroad and the construction of westward paths but ultimately it also meant that big business reaped most of the profits associated with mining the gold While the miners are often remembered for panning gold out of mountain streams it required advanced mining technology for most to make a fortune In most places where miners showed up the real money lay in mining the miners something Soapy Smith would quickly come to understand and use to his advantage Utilizing a famous con involving soap prizes Soapy would earn his nickname while also possessing outsized influence in various forms of swindling from shady political dealings to outright fraud His reputation as a criminal began to spread yet he still plied his trade across the frontier and ultimately to the Northwest at the height of the Klondike Gold Rush where he would meet his fate and cement his legend Soapy Smith The Life and Legacy of the Wild West's Most Infamous Con Artist looks at the controversial times and crimes of the Western huckster and the career that led to a notorious end Along with pictures depicting important people places and events you will learn about Soapy Smith like never before **Alias Soapy Smith** Jeff Smith, 2009 **"That Fiend in Hell"** Catherine Holder

Spude,2012-09-28 As the Klondike gold rush peaked in spring 1898 adventurers and gamblers rubbed shoulders with town builders and gold panners in Skagway Alaska The flow of riches lured confidence men too among them Jefferson Randolph Soapy Smith 1860 98 who with an entourage of bunco men conned and robbed the stampeders Soapy though a common enough criminal would go down in legend as the Robin Hood of Alaska the uncrowned king of Skagway remembered for his charm and generosity even for calming a lynch mob When the Fourth of July was celebrated in 98 he supposedly led the parade Then a few days later he was dead killed in a shootout over a card game With Smith s death Skagway rid itself of crime forever Or at least so the story goes Journalists immediately cast him as a martyr whose death redeemed a violent town In fact he was just a petty criminal and card shark as Catherine Holder Spude proves definitively in That Fiend in Hell Soapy Smith in Legend a tour de force of historical debunking that documents Smith s elevation to western hero In sorting out the facts about this man and his death from fiction Spude concludes that the actual Soapy was not the legendary boss of Skagway nor was he killed by Frank Reid as early historians supposed She shows that even eyewitnesses who knew the truth later changed their stories to fit the myth But why Tracking down some hundred retellings of the Soapy Smith story Spude traces the efforts of Skagway s boosters to reinforce a morality tale at the expense of a complex story of town building and government formation The idea that Smith s death had made a lawless town safe served Skagway s economic interests Spude s engaging deconstruction of Soapy s story models deep research and skepticism crucial to understanding the history of the American frontier

#### **Good Time Girls of the Pacific Northwest**

Jan MacKell Collins,2020-02-24 Throughout the development of the American West prostitution grew and flourished within the mining camps small towns and cities of the nineteenth century Pacific Northwest Whether escaping a bad home life lured by false advertising or seeking to subsidize their income thousands of women chose or were forced to enter an industry where they faced segregation and persecution fines and jailing and battled the hazards of disease drug addiction physical abuse and pregnancy They dreamed of escape through marriage or retirement but more often found relief only in death An integral part of western history the stories of these women continue to fascinate readers and captivate the minds of historians today

#### **God's Reflections**

Ronald Ian Phillips,Ernest Schmidt,David Grotzke,Seth Grotzke,2022-04-07 Using a unique and ground breaking approach that combines religion with American history these four authors masterfully present a thoroughly researched and captivating account of fifty two inspirational stories of America s exceptionalism intricately woven with God s truths Each story connects the life giving honesty of the American people with a life shaping application from the gospel Individuals interested in the history of the United States or Christianity and looking for an overarching account of what unites us as Americans and believers will be enthralled by these inspiring stories of struggles and triumphs We are not the light just the reflection if we stand close enough to the Source The further we move away from God s will for our lives the more we stumble in the dark But as believers we know there is an all powerful force that will lift us up and help us to walk in the light The goal of God s

Reflections Biblical Insight from America's Story is to draw Christians closer to the light source so they can radiate brighter in their service to God and their country and be part of the greatest rescue mission of all making disciples for Jesus Christ

**Stampede** Brian Castner, 2021-04-13 A gripping and wholly original account of the epic human tragedy that was the great Klondike Gold Rush of 1897-98 One hundred thousand men and women rushed heedlessly north to make their fortunes very few did but many thousands of them died in the attempt In 1897 the United States was mired in the worst economic depression that the country had yet endured So when all the newspapers announced gold was to be found in wildly enriching quantities at the Klondike River region of the Yukon a mob of economically desperate Americans swarmed north Within weeks tens of thousands of them were embarking from western ports to throw themselves at some of the harshest terrain on the planet in winter yet woefully unprepared with no experience at all in mining or mountaineering It was a mass delusion that quickly proved deadly avalanches shipwrecks starvation murder Upon this stage author Brian Castner tells a relentlessly driving story of the gold rush through the individual experiences of the iconic characters who endured it A young Jack London who would make his fortune but not in gold Colonel Samuel Steele who tried to save the stampedeurs from themselves The notorious gangster Soapy Smith goodtime girls and desperate miners Skookum Jim and the hotel entrepreneur Belinda Mulrooney The unvarnished tale of this mass migration is always striking revealing the amazing truth of what people will do for a chance to be rich
