Because I Come from a Crazy Family Edward M. Hallowell, 2018-06-12 From the bestselling author of the classic book on ADD *Driven to Distraction* a memoir of the strange upbringing that shaped Dr Edward M Hallowell s celebrated career When Edward M Hallowell was eleven a voice out of nowhere told him he should become a psychiatrist A mental health professional of the time would have called this psychosis But young Edward Ned took it in stride despite not

quite knowing what psychiatrist meant With a psychotic father alcoholic mother abusive stepfather and two so called learning disabilities of his own Ned was accustomed to unpredictable behavior from those around him and to a mind he felt he couldn't always control The voice turned out to be right Now decades later Hallowell is a leading expert on attention disorders and the author of twenty books including *Driven to Distraction* the work that introduced ADD to the world In *Because I Come from a Crazy Family* he tells the often strange story of a childhood marked by what he calls the WASP triad of alcoholism mental illness and politeness and explores the wild wish surging beneath his incredible ambition that he could have saved his own family of drunk crazy and well intentioned eccentrics and himself *Because I Come from a Crazy Family* is an affecting at times harrowing ultimately moving memoir about crazy families and where they can lead about being called to the mental health profession and about the unending joys and challenges that come with helping people celebrate who they are A portion of the author's proceeds of this book will go to NAMI National Alliance on Mental Illness **Profile** R S Means Company, 2001-03-20 **Communication Research Measures II**, 2009 Expanding and building on the measures included in the original 1994 volume *Communication Research Measures II* A Sourcebook provides new measures in mass interpersonal instructional and group organizational communication areas and highlights work in newer subdisciplines in communication including intercultural family and health It also includes measures from outside the communication discipline that have been employed in communication research The measures profiled here are the best of the best from the early 1990s through today They are models for future scale development as well *Psychware Sourcebook* Samuel E.
