Rosenau, John M. Last**

Sourcebook On Child Sexual Abuse:

A Sourcebook on Child Sexual Abuse David Finkelhor, Sharon Araji, 1986-05 How widespread is child sexual abuse Which groups of children are at greatest risk Why do offenders offend What are the initial and long term effects of sexual abuse on victims How can child sexual abuse be prevented How should researchers approach the problem David Finkelhor is a leading researcher in the field of family violence and child sexual abuse He is the author of two previous books on the subject Sexually Victimized Children and Child Sexual Abuse New Theory and Research Finkelhor is also known for his work in other areas of family violence He is a co editor of Dark Side of

Child Sexual Abuse Kathleen Coulborn Faller, 1993 Addresses the needs of professionals who encounter child sexual abuse in the course of their work Describes professional practices in sexual abuse and discusses how to address the problems of sexually abused children and their families Meets the needs of child protection workers the front line staff mandated to investigate reports of child maltreatment Also benefits educators and health care professionals social workers psychologists psychiatrists and legal professionals Charts glossary bibliography and list of resources

Creative Responses to Child Sexual Abuse Sue Richardson, Heather Bacon, 2003-01-01 First published in 2003 Routledge is an imprint of Taylor Francis an informa company Intrafamily Child Sexual Abuse John James McMahon, Hawaii. Legislature. Legislative Reference Bureau, 1989

Understanding Child Maltreatment Maria Scannapieco, Kelli Connell-Carrick, 2005-02-10 This volume examines the impact of child maltreatment at each stage of a child s development including infancy early childhood middle childhood and adolescence The inclusion of adolescence is critical as it is a frequently overlooked age in works on child maltreatment Most books broadly address the developmental consequences of maltreatment but this book proposes assessment and intervention strategies based on a deep understanding of each stage of a child s development Both students and professionals in the interdisciplinary field of child maltreatment social workers attorneys child advocates and researchers will find this book of interest

Abuse in Society Alan R. Kemp, 2016-11-11 Today s headlines are filled with increasingly alarming accounts of abuse by coaches religious leaders institutional caregivers family members and others Abuse in Society provides an illuminating and timely introduction to the physical emotional psychological and sexual faces of abuse The text presents a much needed in depth assessment of child maltreatment intimate partner violence abuse by clergy abuse of the elderly and disabled and abuse in sports Among the specific problems covered are bullying and sibling abuse courtship violence and date rape and abuse in the relationships of sexual minorities The author explores these complex issues using an ecological approach examining interacting explanations from a variety of perspectives and levels of analysis societal and cultural family and individual The author s down to earth conversational style is easy to understand and his work is exceptionally well researched and thoroughly documented Those who are pursuing careers in the fields of sociology psychology psychiatry and human service professions such as social work pastoral counseling mental health counseling marriage and family therapy and psychiatric nursing will

find this text valuable End of chapter resources include a Review Guide Critical Thinking Questions Recommended Reading Internet Resources and Suggested Activities

Child Sexual Abuse Susan Freese,1989

Treating Sex Offenders Sarah Brown,2013-07-04 This book aims to provide an introduction and overview of sex offender treatment programmes designed for students and practitioners coming to this field It seeks to describe the development theoretical underpinnings treatment goals and operation of cognitive behavioural and other programmes to an audience unfamiliar with this form of rehabilitation In addition it aims to examine the effectiveness of these programmes and the difficulties associated with assessing this the public response to treatment and also the effects on staff responsible for implementing them The book is concerned particularly to assess the operation of sex offender treatment programmes in the UK context considering also the issues associated with implementing programmes developed in other contexts especially the USA and Canada It will be of interest to practitioners particularly those who are beginning work on sex offender treatment programmes or others such as health workers social workers probation officers who come into contact with these programmes indirectly

Journal of Women's History ,2002

Theories of

Child Abuse and Neglect Oliver C. S. Tzeng,Jay W. Jackson,Henry Karlson,1991-05-30 This book was prepared under the impetus of desperate need in academic institutions and clinical and social services for a comprehensive introduction to the diverse theories about child abuse and neglect etiologies During the past three decades professionals in different occupational fields have been actively involved in the identification intervention treatment and prevention of child victimization and its detrimental consequences This book describes summarizes and evaluates more than 40 of the theoretical viewpoints that have been proposed in the literature and used for clinical practice as well as academic research

Juvenile Sex Offenders Camille Gibson,Donna M. Vandiver,2008-07-30 Despite the fact that media bombard the public with the notion that sex offenders are everywhere and could be just next door official sources show that official sex offense rates have been steadily declining over the past 10 years Yet when a juvenile is accused of a sexually based crime media attention is swift and relentless The truth about juvenile sex offenders is often therefore misunderstood In many cases such offenders are victims themselves Here Gibson and Vandiver reveal the truth about juvenile sex offenders and what can be done to help them and to prevent the cycle of abuse that leads to such tragic outcomes This book sets the records straight

about juvenile sex offending It provides accurate up to date statistics real life cases and information about offender characteristics victim characteristics family factors social issues media involvement and other related areas It offers explanations for juvenile sex offending from a variety of perspectives and reviews legal and criminal responses to the problem Included are discussions of female offenders punitive measures to prevent repeat offenses and other steps the federal government and individual states are taking to address the problem The authors conclude with advice on how to protect children from becoming victims and how to prevent sexual offending in the first place *Thrust for Educational Leadership*, 1993 *Counselling Adult Survivors of Child Sexual Abuse* Christiane Sanderson, 1995 *Counselling Adult Survivors of Child Sexual Abuse* addresses the myths and mysteries while propelling a lifeline to both the health professional and the adult survivor This is probably the most complete book on sexual abuse in publication *Nursing Ethics* If you are looking for a comprehensive overview of theory and practice in this hugely important area of work then look no further a useful resource book which would make a thoughtful and thorough introduction for trainee clinical and counselling psychologists or those looking to familiarise themselves with the range of issues in this area of work *Changes An International Journal of Psychology and Psychotherapy* significant in its frank honest explication of the problem society faces when children are sexual victims and challenges psychologists to treat this systemic problem with all the resources available to them The significance of this work is the comfort it provides to those who are searching for normalization of their experiences the honesty in addressing the very existence of ongoing sexual abuse of children our shared societal responsibility for potentially or inadvertently tolerating abuse and a sense that there is a group of persons with whom survivors can identify *Contemporary Psychology* a comprehensive guide to the background theory and treatment of survivors of abuse which tackles the thorny issue of false memories with sound advice about the role of the counsellor It has an easy readable style with just enough summarising of previous chapters to allow them to be read separately making it an enjoyable and worthwhile book to read or refer to I particularly liked the separation of objectives approaches and techniques in dealing with treatment which gave the book enormous clarity *Counselling* comprehensive and useful very readable and would be especially useful for anyone who is just entering this field and wishes to explore all the options and provide their client with the best possible service *Community Care* gives an overview of the literature on theories of sexual abuse its impact and long term psychological consequences and an examination of different models of treatment *Journal of Family Therapy* this excellent book strikes a good balance between theory data and practical advice for workers and includes illustrative case material and practical strategies for counsellors It conveys both the experiences of survivors and the enormous amount that can be achieved It is a stimulating and optimistic book which would be suitable for all workers in this important area *Criminal Behaviour and Mental Health* This book is academically sound and is all embracing in its treatment of its subject matter It is an excellent resource book and would be recommended reading for any person wishing to embark on research in

this field All counsellors may indeed learn something from it Counselling Newsletter well organized clear carefully reasoned and documented a thorough helpful and sensible book providing a readable overview of knowledge on the topic While the text is aimed at professionals Sanderson s style appeals to other concerned individuals including survivors and those who support them FVSAB This revised edition includes new information and data on the incidence of child sexual abuse and looks more closely at the complexities of sexual abuse by female abusers An entirely new chapter on False Memory Syndrome is included in this edition which presents both clinical and scientific arguments pertaining to the retrieval of memories as well as analysing the impact of the application of this syndrome not only on victims and survivors but also on therapists and society as a whole Counselling Adult Survivors of Child Sexual Abuse examines the theories which attempt to account for the occurrence of child sexual abuse explains the traumatic impact of child sexual abuse looks at the ways in which these effects can be ameliorated and the adult healed Treatment techniques and the role of the counsellor in employing these techniques are also discussed in such a way that the counsellor can make use of the book not only as a review of current theory but also as a practical handbook for use with clients who may be adult survivors of child sexual abuse
