Sovereignty Of Taste:

The Sovereignty of Taste James S. Hans, 2002 **The Sovereignty of Art** Charles Sharp, 1888 **Encyclopedia of Law and Economics** Alain Marciano, Giovanni Battista Ramello, 2026-01-29 This Encyclopedia offers a concise introduction to law and economics a thriving and continuously evolving field While other valuable resources already provide numerous essays on specific topics this encyclopedia is original differing from and complementing existing encyclopedias and companions in four respects First to cover as many aspects and dimensions of law and economics as possible it includes a large number of relatively short chapters Second many of these chapters explore the boundaries between law and economics and related fields such as public choice institutional economics transaction cost economics and industrial economics Third the encyclopedia allocates space for historical and methodological chapters focusing on the founders of the field and on important scholars who directly or indirectly contributed to shaping law and economics as it is today This new edition aims to expand these distinctive features Its goal is to cover even more areas within law and economics particularly by addressing issues raised by big data and new technologies to deepen the interdisciplinary dimension of the field and to include additional historical and methodological chapters The second edition includes 150 additional entries compared to the first edition with most of the existing chapters updated This results in a broader and more up to date coverage of law and economics

The Architecture of Percier and Fontaine and the Struggle for Sovereignty in Revolutionary France Iris Moon, 2016-11-25 As the official architects of Napoleon Charles Percier 1764 1838 and Pierre Fran ois L onard Fontaine 1762 1853 designed interiors that responded to the radical ideologies and collective forms of destruction that took place during the French Revolution The architects visualized new forms of imperial sovereignty by inverting the symbols of monarchy and revolution constructing meeting rooms resembling military encampments and gilded thrones that replaced the Bourbon lily with Napoleonic bees Yet in the wake of political struggle each foundation stone that the architects laid for the new imperial regime was accompanied by an awareness of the contingent nature of sovereign power Contributing fresh perspectives on the architecture decorative arts and visual culture of revolutionary France this book explores how Percier and Fontaine s desire to build structures of permanence and their inadvertent reliance upon temporary architectural forms shaped a new awareness of time memory and modern political identity in France

[Women, Writing, and Travel in the Eighteenth Century](#) Katrina O'Loughlin, 2018-06-14 A wide ranging exploration of women s travel writing between 1714 and 1789 emphasising women s contribution to processes of cultural change

[ISpy](#) Mark Andrejevic, 2007 A chilling account of the tradeoff we are willing to make between interactive media technologies and the power of others to watch over and control us This brave new world of electronic marketing and consumption actually lulls consumers into blissful ignorance of how that usage can be and is being monitored
