Soviet Communes

Andy Willimott

Soviet Communes:

Soviet Communes Robert Gale Wesson, 2012-06-01 **Living the Revolution** Andy Willimott, 2017 *Living the Revolution* offers a pioneering insight into the world of the early Soviet activist. At the heart of this book are a cast of fiery-eyed, bed-headed youths determined to be the change they wanted to see in the world. First banding together in the wake of the October Revolution, seizing hold of urban apartments, youthful enthusiasts tried to offer practical examples of socialist living. Calling themselves urban communes, they embraced total equality and shared everything from money to underwear. They actively sought to overturn the traditional family unit, reinvent domesticity, and promote a new collective vision of human interaction. A trend was set, a revolutionary meme that would in the coming years allow thousands of would-be revolutionaries and aspiring party members to experiment with the possibilities of socialism. The first definitive account of the urban communes and the activists that formed them, this volume utilizes newly uncovered archival materials to chart the rise and fall of this revolutionary impulse. Laced with personal detail, it illuminates the thoughts and aspirations of individual activists as the idea of the urban commune grew from an experimental form of living, limited to a handful of participants in Petrograd and Moscow, into a cultural phenomenon that saw tens of thousands of youths form their own domestic units of socialist living by the end of the 1920s. *Living the Revolution* is a tale of revolutionary aspiration, appropriation, and participation at the ground level. Never officially sanctioned by the party, the urban communes challenge our traditional understanding of the early Soviet state, presenting Soviet ideology as something that could both frame and fire the imagination. *Soviet Russia Pictorial*, 1924 *Soviet Russia*, 1920 **Problems of Communism**, 1960 **Revolutionary Dreams** Richard Stites, 1991-11-14 The revolutionary ideals of equality, communal living, proletarian morality, and technology worship, rooted in Russian utopianism, generated a range of social experiments which found expression in the first decade of the Russian revolution: in festival, symbol, science fiction, city planning, and the arts. In this study, historian Richard Stites offers a vivid portrayal of revolutionary life and the cultural factors—myth, ritual, cult, and symbol—that sustained it, and describes the principal forms of utopian thinking and experimental impulse. Analyzing the inevitable clash between the authoritarian elements in the Bolsheviks' vision and the libertarian behavior and aspirations of large segments of the population, Stites interprets the pathos of utopian fantasy as the key to the emotional force of the Bolshevik revolution, which gave way in the early 1930s to bureaucratic state centralism and a theology of Stalinism. **Russia** Nikolai Makiyev, Valentine O'Hara, 1925 **Slavonic Nations of Yesterday and Today** Milivoj Stoyan Stanoyevich, 1925 *The Soviet State* Bertram Wayburn Maxwell, 1934 An attempt to describe the structure of the Bolshevik Government and to portray the relationship of the citizen to the state in the Soviet Union. Pref. p. vii **Land Commune And Peasant Community In Russia** Roger Bartlett, 1990-04-09 *The New Russia*, 1920 *The Nation*, 1920 **(vol. I-II) Revolutionary and subversive movements abroad and at home** New York (State). Legislature. Joint Legislative Committee to Investigate Seditious

Activities,1920 The ABC of Communism Nikolai Bukharin,Evgeniĭ Alekseevich Preobrazhenskii,1922 **International Press Correspondence** ,1930 *Peasant Communes* Emel'iĭaĭn IĭAĭroslavskii,1919 **The Soviets at Work** Vladimir Il'ich Lenin,1918 **Bulletin** American Relief Administration,1922 *Monthly Bulletin of the Bureau of Economic and Social Intelligence* ,1924 **Bulletins of the Russian Liberation Committee** ,1919

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Soviet Communes**

In a global inundated with displays and the cacophony of fast communication, the profound energy and psychological resonance of verbal artistry often diminish into obscurity, eclipsed by the continuous assault of sound and distractions. However, set within the musical pages of **Soviet Communes**, a fascinating perform of fictional beauty that pulses with natural feelings, lies an remarkable trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, this enchanting opus books readers on a mental odyssey, lightly exposing the latent possible and profound impact stuck within the delicate internet of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book is central themes, dissect its fascinating writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
