Universe Samuel Shem,2016-06-28 The story of two mothers and a father in love with the same daughter Samuel Shem s At
the Heart of the Universe is an epic novel set deep in rural China against the backdrop of an ancient mountain monastery
during the time of the one child per family policy Inspired by the author s experiences as parent of an adopted child it
describes the drama of adoption and the journey of loss and rebirth that can happen when a daughter brings together her
adopted mother and father with her birth mother high on a mountaintop Set in 1991 in Changsha capital of Hunan province
as a Chinese woman abandons her one month old daughter in a pile of celery in a busy market and then shifting to Changsha
ten years later as the daughter returns with her adopted American parents the story moves across southern China until high
atop Emei San one of China s sacred mountains with a Buddhist temple the four are brought together in the wilderness a
perilous and explosive time that unleashes their heartbreak and suffering and remarkably transcends it to shared compassion

romance reimaging of The Little Mermaid Humans are careless destructive and have no regard for life They must be
punished for their transgressions Her entire life Clio has believed in the truth of her father s philosophy For years the people
of the island kingdom of Koryos have lived profligately and proof of their abuses surrounds her sea creatures perishing in
massive numbers corals bleached and dying toxic waste polluting the once pristine waters Her father choosing her to act as
his secret weapon is the highest honor Clio can imagine even if it required her to leave her home at the age of ten and
endure ten years of rigorous training to learn to impersonate a human Now Clio is ready to carry out her mission to eliminate
every last Koryosian Success means saving her home and family Failure means the end of her world But the more she
integrates herself into human society in order to sabotage it from within the harder it becomes for her to ignore her doubts
The new human king is determined to atone for his father s sins and to undo the damage that threatens both his home and
Clio s making her wonder if human annihilation is necessary Can the Koryosians and the merfolk learn to coexist Or will she
be forced to choose between eradicating humanity and dooming merkind *The Missing Muse* Philip Guedalla,1930

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
