realm with the help of supernatural powers The aim however differs This book covers the following topics Timing your spells and correspondences Consecrating your candles Book of shadows The basics of spellcasting How to begin How to set up your personal wiccan altar Spells for motivation Spells for health and healing The realm of spells The magic within you And much more Admittedly people perform magic for diverse purposes ranging from personal to commercial purposes One could do magic to land themselves a better job to avert dangers or protect themselves from harm to get a partner to recover from an ailment to get wealthier and a host of several other personal reasons For Wiccans however the aim is not entirely so personal This is not to say that Wiccans do not use magic for personal gains protection and so on but rather they view magic as a more of a spiritual journey for a Wiccan to express themselves This explains why magick is a core part of the Wiccan festivals and rituals Do you want to learn more BUY NOW **Forthcoming Books** Rose Army,2002 Circle, Coven & Grove Deborah Blake,2007 Part instruction manual part personal journey and part Book of Shadows this all in one ritual handbook is an ideal tool for busy Witches new covens and new Priestesses Priests or coven leaders Celebrate the Wheel of the Year with original group rituals that can be used as written personalized to reflect your coven s unique style or modified for solitary practitioners Along with practical tips on ritual basics there are beautifully written New Moon rituals Full Moon rituals and Sabbat celebrations for each month and season Back cover Introduction to New and Alternative Religions in America William M. Ashcraft,Eugene V. Gallagher,2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and

Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more
