Stellar Woods:

Islands of Light Don Thompson, 2004 A year after their adventure in Stellar Woods Tom and his sister Katie are into Northwest life in a big way Their family has inherited a 58 foot trawler and they are ready for salt water adventures beyond anything they ever imagined while living in Colorado But the waters surrounding the San Juan Islands are not always friendly and can sometimes deceive even the most experienced boater In this sequel to Stellar Woods a tragic boating accident separates the family spinning them off on different paths Will the family be reunited The odds seem against it even against the very survival of one of its members Will someone remember the power of the stones Will someone understand how to use this power to bring the family back together

Places Not Here Don Thompson, 2008-02-07 *Places Not Here* is the concluding book of the Stellar Woods trilogy In this final adventure young adults Tom and Katie Morrison are called back to Seattle for the reading of the will of their departed mentor Dr Spencer Blankenship When the facts of Dr Blankenship s demise don t add up Tom and Katie must decide whether to ignore the disturbing details and return to their safe and successful academic careers or to risk further investigation Their decisions lead them down dangerous paths challenging the limits of rational thought and culminating in unsettling discoveries about their mentor themselves and the fate of the world itself

friends but under life threatening circumstances Tom and Katie must make a difficult rescue and somehow get word to their parents who with the professor are searching Stellar Woods and beginning to fear the worst After a dramatic rescue and an uneasy telephone call home Tom and Katie make plans to return but one more hurdle appears Katie begins to experience a strange and potentially lethal side effect of her unconventional journey Compelled by the urgency of the situation Tom is able to overcome doubts about his own ability to make decisions in the face of ambiguity Under enormous pressure by quick and clear thinking Tom takes decisive action saving his sisterOs life and returning them both safely home For more information about Stellar Woods please visit www.stellarwoods.com *Jet* ,2008 **Bulletin** Harvard College Observatory,1930
