Gypsy's Crossing S L Mitchell,2007-06 Twenty six year old urban professional Gypsy Smith appears to have it all She s a beautiful articulate witty and full figured African American woman who s thriving career has provided her with sports cars a designer wardrobe and an expensive loft in Long Beach just blocks from the beach But what s not obvious to outsiders is how hard Gypsy struggles daily with her secret sexual desires Paris Morgan is a charming intelligent and romantic thirty three year old African American man who is nice almost to a fault This has earned him abuse and rejection from the women he s allowed into his life But after meeting Gypsy he feels like he s found all he desires but he has secrets too Only time will tell whether or not Gypsy and Paris can overcome the secrets that are keeping them or will those undisclosed skeletons force them apart forever
