## Still The Person I Turn To:

Someone to Turn to Ann K. Mitchell,1981      **Penetrating God's World with the Gospel of Christ** Bennie Simmons,2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you      Harper's Young People ,1890      Scribner's Monthly, an Illustrated Magazine for the People ,1917      **The Encyclopaedia Britannica: Con to Edw** ,1910      Micronesia Reporter ,1970      *Frank Leslie's Sunday Magazine* ,1887 Includes music      **The Survey** ,1914      *Science* John Michels (Journalist),1887 Vols for 1911 13 contain the Proceedings of the Helminthological Society of Washington ISSN 0018 0120 1st 15th meeting      *The official report of the Missionary conference of the Anglican communion, ed. by G.A.
