Thackerays Universe

Thackerays Universe:

Thackeray's Universe Catherine Peters, 1987 This critical biography offers an engaging look into the life world and works of one of the greatest Victorian novelists Catherine Peters offers a compelling portrait of Thackeray s early childhood and schooling his friendships and his marriage and his work for Fraser s Monthly and Punch She devotes entire chapters to his masterworks *Vanity Fair* *Pendennis* and *Henry Esmond* and also draws illuminating comparisons between Thackeray s approach to writing fiction and that of his great contemporary Dickens *Thackeray's Skeptical Narrative and the 'Perilous Trade' of Authorship* Judith L. Fisher, 2017-03-02 Drawing on the rhetorical work of James Phelan Wayne Booth s ethical criticism recent work on William Makepeace Thackeray as well as an understanding of the role of skepticism in eighteenth and nineteenth century English thought *Thackeray s Skeptical Narrative and the Perilous Trade of Authorship* makes a substantial contribution to nineteenth century reading practices as well as narratology in general Judith Fisher combines in this study rhetorical and ethical analysis of Thackeray s narrative techniques to trace how his fiction develops to educate his reader into what she terms a hermeneutic of skepticism This is a kind of poised reading which enables his readers to integrate his fiction into their life in what Thackeray called a world without God without becoming pessimistic or fatalistic Although Thackeray s narrative strategies have been the subject of study most have focused on *Vanity Fair* and *Henry Esmond* only and none look as closely as does this study at actual rhetorical techniques such as his use of pronominalization to interpolate the reader into his skeptical discourse Fisher also brings her analysis to bear on *The Adventures of Philip* and *The Virginians* Thackeray s last two complete novels both of which were critical failures even as contemporary critics acknowledged their stylistic excellence This is the first study to attempt to understand the puzzle of those two books Fisher recovers them from their marginalized position in Thackeray s oeuvre Fisher expertly weaves an accessible narrative theory with thoroughgoing knowledge of Thackeray s life in an integrated reading of his entire works Reading Thackeray holistically in spite of his own disruptive practices she does full justice to his critical skepticism while elucidating his canon for a new readership **The William Makepeace Thackeray Library** Richard Pearson, 2016-07-15 First published in 1996 The William Makepeace Thackeray Library is a collection of works written by and about the novelist This fourth volume contains Charles Plumtre Johnson s *The Early Writings of William Makepeace Thackeray* and Adolphus Alfred Jack s *Thackeray A Study* While Johnson s work signifies a landmark in Thackeray scholarship recognizing his lesser known work for magazines and newspapers A A Jack s text marks a major reassessment of Thackeray s work in light of the debate on the moral intentionality of fiction Richard Pearson s introduction guides the reader through the context of each publication providing a helpful explanation of how and why these works were written This book will be of interest to those studying Thackeray and nineteenth century literature *Thackeray* D. J. Taylor, 2015-07-28 A rich and evocative portrait of one of the greatest authors of Victorian England Who was William Makepeace Thackeray Was he the wealthy dilettante who came to London in

the 1830s and squandered his fortune on newspapers Was he the impoverished freelance author of the 1840s who scragged for every penny he could get Or was he the great writer who published *Vanity Fair* in 1847 skewering Victorian society and ensuring his literary legacy Throughout the many phases of his life Thackeray remained an enigma He was friendly but standoffish generous yet miserly confident and utterly terrified of failure A century and a half after Thackeray's death D J Taylor has produced a biography that tackles the complexities of these contradictions and restores Thackeray to his place in the literary pantheon His fortune lost by the time he was thirty his personal life in constant torment Thackeray's story is as dramatic as that of any of his characters In Thackeray the man can finally be seen in full The early writings of William Makepeace Thackeray William Makepeace Thackeray,1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate

Breeches and Metaphysics S. S. Praver,2017-12-02 This study traces the successive stages of Thackeray's contact with the German world and analyses the discourse he developed as a result The author is concerned with the fiction and criticism of Thackeray's *Paris Sketch Book* and the impressions related by the cockney traveller in *Irish Sketch Book* and *Notes of a Journey from Cornhill to Grand Cairo* Thackeray's own pictorial illustrations of his writings and those by Cruikshank Doyle and Walker which he supervised and supplemented are recognized as an integral part of his German discourse The study is a chronological one setting Thackeray's construction of German and the Germans against the background of his own development and of the social industrial cultural and political history of Britain and its continental neighbours
