## Thank You Hashem:

*RETURN* Dr. Ahuva Krell Goldenthal, 2010-11-08 Some people think that the more mature we get the easier we can bond with new friends Others believe that the older we get the more challenging relationships become With age we might be less flexible and more set in our ways Lonely people often tend to regress to their childhood years They become almost like children that seek their mothers nurturing and love By reaching out to others for attention or love we expect to get this nurturing feeling that we are seeking in return Those who accept and embrace certain realizations have a greater chance for long term success with partners friends and employers For an older person that has a possessive jealous streak could be challenging meeting new friends It is always better to choose compatible friends to communicate and spend quality time with Boring and nosy friends are nothing more than a disaster in a friendship Try to get along with relatives and neighbors If you find it difficult change sceneries meet new people in your community take a walk in a park enjoy nature and meet other nature lovers

*Say "Thank You" and See Miracles* Rav Shalom Arush, In this book we have compiled 190 stories of miracles that people from all over the world have brought to our attention These wonderful people have seen miraculous salvations by expressing their gratitude to Hashem and by clinging to the belief that everything He does is for the very best People who waited years for a soul mate suddenly met the right person Couples with terrible fertility issues suddenly became parents Debtors who never dreamed of repaying their debts not only did so but became wealthy as well People who were light years away from spirituality discovered the sublime pleasure of their own intimate relationship with Hashem How did they do it These are all the sweet fruits of gratitude thanking Hashem for everything while taking nothing for granted

*Who Is God?* Batya Shemesh, 2016-02-29 For millions of years God had been creating and destroying many worlds Finally the Almighty decided to make a man in His Image He would give mankind intelligence beyond all other creations In this new world God would seek out a friend in a human being with whom He would be able to communicate He loves His creations and wishes to be loved as a father In this book Batya tells the story of how God first approached her She then writes about Gods point of view on questions of free choice justice guilt punishment reincarnation and more With the Bible as her witness Batya is brave enough to face difficult topics of faith in a very friendly clear and easy to read writing style

□□□□ 2005, □"□□ □□□ □□ Baruch Chait, 2003 Magnificent beautiful and dramatic this haggadah is worthy of superlatives The creative genius of Rabbi Baruch Chait combined with the superb skill of master illustrator Gadi Pollack make this haggadah one of a kind The realistic illustrations will
