**Thanking GOD with an Attitude of Gratitude** GERARD ASSEY,2021-03-18 COVID 19 was perhaps for many the biggest life changing event that was faced Several precious lives were lost families separated for months jobs lost no income absolutely for many businesses shut and economies in shatters the list could go on And the world is still trying to recover from all of this And yet when we as children of God look back at this year despite these perilous days with numerous challenges that many had gone through God had been ever so faithful in bringing us through it all that you might like to utilize and set aside time to reflect and never cease in giving God your heartfelt thanks and praise No matter what difficulty you ve faced over the year or years God had drawn you out When you felt overwhelmed God reached out His hand He wouldn't let you sink or slip So as you reflect on the countless blessings that God had supplied you with you may like to ponder over the many blessings that come from being grateful for the good things we enjoy To enable you get better at giving thanks and building up on your attitude of gratitude this powerful book **Thanking GOD with an Attitude of Gratitude** will help you do just that and I pray that this small but yet powerful little book will help you every day in 2 ways Firstly it will help you recall and count all your blessings you ve received from the Lord Secondly it will help you express your Gratitude and Thanksgiving for the wonderful inward and eternal matters He has enabled you to enjoy So use your time everyday Reflecting and Thanking God for HIS Goodness HIS Greatness HIS Glory HIS Grace and HIS Gifts in your life I pray that this will be a blessing to you in your times of private fellowship with the LORD

**365 Days of Thanking God** Daniella Whyte,2010-11-23 This book is not about the holiday called Thanksgiving It is not about how to celebrate Thanksgiving This book is a challenge to you to cultivate a heart of thankfulness to God and to the people He has

placed in your life 365 days of the year Thankfulness is not about keeping tradition It is a matter of the heart It should be an everyday occurrence It should be a habit it should be a way of life It may seem as though it is small or insignificant to you but it means a lot to God and to others I pray that this book will encourage you and challenge you to be thankful for everything Daniella from the Introduction You simply will not be the same person two months from now after consciously giving thanks each day for the abundance that exists in your life And you will have set in motion an ancient spiritual law the more you have and are grateful for the more will be given you Sarah ban Breathnach Willmington's Guide to the Bible H. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
