**"Thanks Father"** Barbara Chadwick, 2013-09-11 In sharing these snippets of words and thoughts with you I have grown In searching the heart of God for a word to encourage you I have become encouraged The thoughts of God are far above our thoughts but the thought that reaches the deepest into our heart is GOD LOVES US SO MUCH THAT HE WOULD SACRIFICE HIS ONLY SON TO PAY THE PRICE FOR OUR WRONG DOING AND LET US OUT OF THE PRISON WE DESERVE TO BE IN NO ONE EVER LOVED ANOTHER LIKE HE DID AND DOES

[You Ain't My Dad](#) Arnold Shurn, 2015-12-16 I started this journey around 2001 to write a book about the role that fathers did not play or could not play but wanted to play in the lives of their offspring However due to internal factors and external factors fathers did not meet the expectations of society nor their child's or of their own This book is not designed to be an outlet for men to berate women about them having to pay child support but more about the experiences men go through from their lenses I want to reiterate the point that this is not an attempt to influence the courts or the court of public opinion to alleviate the male's responsibility of his financial obligations I have witnessed firsthand the struggle of single mothers and the things they have to endure However there are elements out there that want to portray men as the culprit of some sort of dark evil element that is causing the family dynamic to be annihilated There are facets involved in the complexities of raising a family unfortunately the men's roles are vanishing There are systems designed to alter the natural function that the fathers play in their children's lives This book will attempt to input a collage of ideas from the author to paint the picture of the challenges fatherless fathers encounter in their pursuit to be fathers
