Every Great Man Has a Story to Tell Tiefert Joshua,2016-03-09 Why do so many people born into the world as ordinary people pass through the world as paupers and return to their Creator as they had come just unsung people In other words why do majority of people born poor pass through life poor and finally die poor and totally forgotten without anything to show that they had been here Why does life favor few and make them so great and unique in whatever they do thereby making them the singsong of others even after they had departed the world for years Why is nature so unjust making others to be born with silver spoons while others it makes church rats Why has nature been so partial to have destined majority in the world to a life of poverty and wants thereby making them the hewers of woods and drawers of water to a few it had destined greats and nobles Why is destiny so wicked to have determined the fate of some to be poor and lowly while to some it determined theirs in gold **The Life of Herod the Great** Zora Neale Hurston,Deborah G. Plant,2025-01-07 A never before published novel from beloved author Zora Neale Hurston revealing the historical Herod the Great not the villain the Bible makes him out to be but a religious and philosophical man who lived a life of valor and vision In the 1950s as a continuation of *Moses Man of the Mountain* Zora Neale Hurston penned a historical novel about one of the most infamous figures in the Bible Herod the Great In Hurston s retelling Herod is not the wicked ruler of the New Testament who is charged with the slaughter of the innocents but a forerunner of Christ a beloved king who enriched Jewish culture and brought prosperity and peace to Judea From the peaks of triumph to the depths of human misery the historical Herod appears to have been singled out and especially endowed to attract the lightning of fate Hurston writes An intimate of both Marc Antony and Julius Caesar the Judean king lived during the first century BCE in a time of war and imperial expansion that was rife with political assassinations and bribery as the old world gave way to the new Portraying Herod within this vivid and dynamic world of antiquity little known to modern readers Hurston s unfinished manuscript brings this complex compelling and misunderstood leader fully into focus Hurston shared her findings about Herod s rise his reign and his waning days in letters to friends and associates Text from three of these letters concludes the manuscript in an intimate way Scholar Editor Deborah Plant s Commentary *A Story Finally Told* assesses Hurston s pioneering work and underscores Hurston s perspective that the first century BCE has much to teach us and that the lens through which to view this dramatic

and stirring era is the life and times of Herod the Great *Official Report, Annual Convention* National Brick Manufacturers' Association of the United States of America,1911 **Machinery** ,1922 "Gone in to See the King": Being the Funeral Address and Sermons Delivered ... in Memory of the Late Rev.
