An Insider's Guide to Political Jobs in Washington William T. Endicott, 2003-05-13 Praise for An Insider's Guide to POLITICAL JOBS IN WASHINGTON Bill Endicott has written a remarkable description of what Washington political jobs entail how you get them and where they lead a public service Gerald Ford 38th President of the United States Former Minority Leader U S House of Representatives Public service is essential to our democracy Bill Endicott's book is the best primer I have read to help those interested in serving in our nation's capital For those of us who have had the opportunity to work in political jobs this experience benefits both the individual and the country Leon Panetta Former U S Representative Director of the Office of Management and Budget and White House Chief of Staff A view of the process from the inside from someone who's been there many times No other source puts all the critical tips into one place as this book does The perspective on the process is unique The personal anecdotes and interviews are invaluable We plan to recommend it to everyone who walks in the door hoping to find a job in politics Jennifer Blanck Director of Career and Alumni Services Georgetown Public Policy Institute Georgetown University and John Noble Director of Career Services Kennedy School of Government Harvard University

The Accountable Juggler Beryl Radin, 2002-01-01 PUBLIC AFFAIRS AND POLICY ADMINISTRATION SERIES Edited by Donald Kettl How should a manager handle different accountability expectations While a commonplace term in government lexicon accountability has escaped precise definition leaving managers at a disadvantage when trying to monitor the performance of their programs Including more than 300 programs over 60 000 employees and a budget of over 400 billion the U S Department of Health and Human Services is an ideal canvas for starkly illustrating competing accountability demands With a bird's eye view of the agency's inner workings Radin tackles big issues such as strategies of centralization and decentralization coordination with states and localities leadership and program design while using the apt analogy of a juggler to show how managers must keep in the air disparate demands and developments

Science and Technology for America's Progress Institute of Medicine, National Academy of Engineering, National Academy of Sciences, Committee on Science, Engineering, and Public Policy, Committee on Science and Technology in the National Interest: Ensuring the Best Presidential Appointments, 2008-12-05 The new Obama administration and the 110th Congress elected in November 2008 will face immediate challenges Events will not permit a

leisurely leadership transition The prompt appointment of a Presidential science adviser and the nomination of top officials in the new administration with the knowledge and experience to address complex problems will be essential The concerns of the nation regarding jobs and economic growth health care national security energy and the environment demand informed action Each of these concerns from national security economic development health care and the environment to education energy and natural resources is touched in essential ways by the nation s science and technology enterprise This is the fourth in a series of books from the National Academies on the presidential appointment process each delivered during a presidential election year with the goal of providing recommendations to the President elect about appointing his senior science and technology leadership and pursuing sustained improvements in the appointments process

The State of the Presidential Appointment Process United States. Congress. Senate. Committee on Governmental Affairs,2002 Science and Technology in the National Interest Institute of Medicine,National Academy of Engineering,National Academy of Sciences,Committee on Science, Engineering, and Public Policy,Committee on Ensuring the Best Presidential and Federal Advisory Committee Science and Technology Appointments,2005-03-23 In 2004 an ad hoc committee was charged with preparing this third report examining the most senior S T appointments to federal government positions and updating the accompanying list of the most urgent S T presidential appointments Sufficient changes have occurred since the National Academies 2000 report on presidential appointments including the 2001 terrorist attacks the anthrax deaths the reorganization of homeland security activities in the federal government new developments in S T and concerns about the politicization of S T decision making and advice to warrant this new edition In contrast with previous reports on the subject this one covers not only presidential appointments to top S T leadership positions but also the appointment of scientists engineers and health professionals to serve on federal advisory committees that focus on science based policy or on the review of research proposals The committee recognizes that other areas of federal responsibility are as important as S T but S T appointments are the only ones within its purview

Bill Clinton Allan Metz,2002-03-30 Bill Clinton s administration was filled with new policies and achievements for the nation s future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also included is an invited essay providing an overview of the Clinton presidency and an extensive chronology of significant events
