Perspectives on Eternal Security Kirk R. MacGregor, Kevaughn Mattis, 2009-05-07 Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians driving their daily actions guiding their permanent choices and shaping their psychology From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin s perseverance of the saints In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security These essays comprise the first print anthology from the online theological journal Testamentum Imperium an international forum founded and edited by Kevaughn Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security This book therefore analyzes Calvin s model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security

is calling His children to live authentic relevant lives where the power of the Gospel the peace security wisdom direction and joy of a life transformed become a living witness to those around us But what happens when we sometimes subtly even unknowingly exchange the truth of the Gospel for a pursuit of the American Dream We like to dress up our desires with Bible verses and Christian sayings but somewhere along the way we find ourselves pursuing something other than God s Kingdom on earth as it is in heaven This book provides a wake up call to devoted Christ followers to return to the simplicity of the Good News the saving transforming power of God to change a life for eternity Whether you fall on the political left or right consider yourself conservative or liberal focus more on grace or works this book is written to both encourage and challenge you to stir your soul and perhaps ruffle your feathers In the end this is a message that will point you towards spiritual renewal

The Security of Truth, Without the Assistance of Persecution Or Scurrility: James Peirce,1721 *Unconditional Eternal Security* French L. Arrington,2005-01-01 Oratory, British and Irish, the Great Age (from the Accession of George the Third to the Reform Bill--1932) Godfrey Locker Lampson,1918 Finding Locke's God Nathan Guy,2019-09-19 The portrait of John Locke as a secular advocate of Enlightenment rationality has been deconstructed by the recent religious turn in Locke scholarship This book takes an important next step moving beyond the religious turn and establishing a theological turn Nathan Guy argues that John Locke ought to be viewed as a Christian political philosopher whose political theory was firmly rooted in the moderating Latitudinarian theology of the seventeenth century Nestled between the secular political philosopher and the Christian public theologian stands Locke the Christian political philosopher whose arguments not only self consciously depend upon Christian assumptions but also offer a decidedly Christian theory of government Finding Locke s God identifies three theological pillars crucial to Locke s political theory 1 a biblical depiction of God 2 the law of nature rooted in a doctrine of creation and 3 acceptance of divine revelation in scripture As a result Locke s political philosophy brings forth theologically rich aims while seeking to counter or disarm threats such as atheism hyper Calvinism and religious enthusiasm Bringing these items together Nathan Guy demonstrates how each pillar supports Locke s Latitudinarian political philosophy and provides a better understanding of how he grounds his notions of freedom equality and religious toleration Convincingly argued and meticulously researched this book offers an exciting new direction for Locke studies **Oratory, British and Irish** Godfrey Locker Lampson,1918 *Eternal Security Fact Or Fiction* M. J. Roberts,2004-05-01 A controversy rages in the Christian Church over the surety of salvation through Jesus Christ Contending Christians create bitterness and division over the topic of eternal security The author scrutinizes doctrine on each side of the issue and offers his view on this critical question Is my eternal security a reality in Christ s offering for sin The author offers a healing solution to the Church one that springs from his own faith in Jesus Christ **Norman Angell and the Futility of War** John Donald Bruce Miller,1986-06-18 **Essays on Kierkegaard** Jerry H.
