The Irish Round Tower Origins And Architecture Explored:

The Irish Round Tower Brian Lalor,1999 The remains of over 70 Christian early medieval Round Towers survive in Ireland with the bulk of them located north of the Dingle Peninsula and south of Lough Neagh Many of those that remain are in association with surviving monastic settlements and are sited in some of the most beautiful and historic areas of the country

Ireland's Round Towers Brian Lalor,2016 A guide to Ireland s unique form of architecture the round tower Fully illustrated this book examines the architectural design setting and function of these towers [The Grove Encyclopedia of Medieval Art and Architecture](#) Colum Hourihane,2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture

A New History of Ireland: Prehistoric and early Ireland Theodore William Moody,Francis X. Martin,Francis John Byrne,1976 In this first volume of the Royal Irish Academy s multi volume A New History of Ireland a wide range of national and international scholars in every field of study have produced studies of the archaeology art culture geography geology history language law literature music and related topics that include surveys of all previous scholarship combined with the latest research findings to offer readers the first truly comprehensive and authoritative account of Irish history from the dawn of time down to the coming of the Normans in 1169 Included in the volume is a comprehensive bibliography of all the themes discussed in the narrative together with copious illustrations and maps and a thorough index

The Rise and Fall of Christian Ireland Crawford Gribben,2021 The Irish experience of Christianity has never been simple or uncomplicated Here Crawford Gribben describes the ancient emergence long dominance sudden division and recent decline of Ireland s most important religion as a way of telling the history of the island and its peoples from earliest times to the present day

Approaches to Religion and Mythology in Celtic Studies Alexandra Bergholm,Katja Ritari,2009-03-26 This publication is the first interdisciplinary collection of articles focusing on religion and mythology in Celtic studies The first part presents various current viewpoints within the field from scholars of history art history and literary studies In addition to more traditional approaches the other two parts of the book illustrate the possibilities of applying new theories and methods from the discipline of Comparative Religion to the analysis of Celtic materials They introduce previously unpublished results of the international research network The Power of Words in Traditional European Cultures and the research project Religion Society and Culture Defining the Sacred in Early Irish Literature funded by the Academy of Finland at University of Helsinki The present collection serves as a significant contribution towards a better understanding of issues that have not been previously brought together in a single volume As such it is of interest to scholars in Celtic studies as well as other related disciplines

Working with Limestone Vibeke

Olson,2011 The papers collected in this volume present the depth and scope of recent scholarship in the field through a wide ranging overview of the state of the discipline of medieval stone studies They address such methodological approaches to the study of limestone as the use of neutron activation analysis to determine quarries of origin issues of labor and transportation as well as issues faced in the cleaning and conservation of limestone This volume is the first comprehensive study in English that investigates limestone as an essential component of large scale medieval artistic production and as such it is a valuable resource for both students and scholars in the field

Christian architecture (Continued.)* xiv, 642 p. front., illus., pl James Fergusson,1893 **Churches in Early Medieval Ireland** Tomás Ó Carragáin,2010 This is the first book devoted to churches in Ireland dating from the arrival of Christianity in the fifth century to the early stages of the Romanesque around 1100 including those built to house treasures of the golden age of Irish art such as the Book of Kells and the Ardagh chalice Carragáin's comprehensive survey of the surviving examples forms the basis for a far reaching analysis of why these buildings looked as they did and what they meant in the context of early Irish society Carragáin also identifies a clear political and ideological context for the first Romanesque churches in Ireland and shows that to a considerable extent the Irish Romanesque represents the perpetuation of a long established architectural tradition

'Our Treasure of Antiquities' Peter Harbison,2002 *A History of Architecture in All Countries: A history of architecture in all countries. 1874* James Fergusson,1874 *Medieval Trim* Michael Potterton,2005 Trim Co Meath is one of Ireland's best known medieval towns and yet this is the first major work on the town for almost 150 years Drawing on documentary archaeological architectural and cartographic evidence the book pieces together a picture of Trim in the middle ages The origins and evolution of the town are traced and charted in detail as are its administration its trading and commercial functions its role as an ecclesiastical centre and its topographical layout The book puts the development of the town in the context of its pre Anglo Norman role and against the backdrop of the extensive Anglo Norman lordship of which it was the administrative judicial and financial centre As a case study this book is intended as a contribution to the understanding and interpretation of urban life in medieval Ireland

Vernacular Architecture Newsletter ,2000 **A History of the Irish Nation** Mary Francis Cusack,1876 **The Aryan Origin of the Gaelic Race and Language** Ulick Joseph Bourke,1875 **Ireland's Round Towers** Tadhg O'Keeffe,2004 The round tower is Ireland's most distinctive medieval monument This book explores the towers qualities as works of architecture as well as examining their relationships with other buildings at the sites on which they stand The author suggests how the towers were employed in ceremonies and other ritualised activities of the Viking Age church in Ireland They prove to be crucial evidence

in a new history of Irish Christianity between the Viking raids and the late 12th century invasion
