The Ivory Grin:

The Ivory Grin Ross Macdonald, 2010-12-29 Traveling from sleazy motels to stately seaside manors *The Ivory Grin* is one of Lew Archer's most violent and macabre cases ever. A hard-faced woman clad in a blue mink stole and dripping with diamonds hires Lew Archer to track down her former maid who she claims has stolen her jewelry. Archer can tell he's being fed a line but curiosity gets the better of him and he accepts the case. He tracks the wayward maid to a ramshackle motel in a seedy run-down small town but finds her dead in her tiny room with her throat slit from ear to ear. Archer digs deeper into the case and discovers a web of deceit and intrigue with crazed number runners from Detroit, gorgeous triple-crossing molls and a golden boy shipping heir who's gone mysteriously missing. [*The Ivory Grin* Ross Macdonald, 1971](#) *The Ivory Grin* Ross Macdonald (Schriftsteller), 1953 [*Marked for Murder* Ross Macdonald, 1960](#) *It's All One Case* Paul Nelson, Kevin Avery, 2016-09-13 This is a prose series of unpublished interviews with and a visual retrospective of the seminal mid to late 20th century literary crime writer. In 1976 critic Paul Nelson spent several weeks interviewing legendary detective writer Ross Macdonald who elevated the form to a new literary level. We talked about everything imaginable. Nelson wrote including Macdonald's often meager beginnings, his dual citizenship, writers, painters, music, and movies he admired. *The Great Gatsby* his favorite book, how he used symbolism to change detective writing, and more. This book, published in a handsome oversized format, collects these unpublished interviews and is a visual history of Macdonald's professional career. It is illustrated with rare and select items from one of the world's largest private archives of Macdonald ephemera, reproduces in full color the covers of the various editions of Macdonald's more than two dozen books, collects facsimile reproductions of select pages from his manuscripts, as well as magazine spreads and presents rare photos many never before seen. **The Archer Files** Ross Macdonald, 2015-07-21 No matter what cases private eye Lew Archer takes on—a burglary, a runaway, or a disappeared person—the trail always leads to tangled family secrets and murder. Widely considered the heir to Sam Spade and Philip Marlowe, Archer dug up secrets and bodies in and around Los Angeles. Here *The Archer Files* collects all the Lew Archer short stories ever published along with thirteen unpublished case notes and a fascinating biographical profile of Archer by Edgar Award finalist Tom Nolan. Ross Macdonald's signature staccato prose is the real star throughout this collection, which is both a perfect introduction for the newcomer and a must-have for the Macdonald aficionado. *Hard-boiled Heretic* Mary Stanley Weinkauf, 1994-01-01 A study of the character of Lew Archer and the novels that he appears in. [*The Truman Gumshoes* J.K. Van Dover, 2022-02-07](#) The hard-boiled style of detective fiction emerged in America in the years after the First World War. In the late 1940s, following the Depression, the New Deal, and the Second World War, a new generation of young writers revisited the conventions governing the fictional private eye and began to move him. The tough detective was still always male, and his world in new directions. This book examines the work of the four most important writers of this second generation of hard-boiled fiction. It offers the first substantial literary analysis of the Max Thursday novels of Wade

Miller and the Carney Wilde novels of Bart Spicer and it develops new perspectives on the well known Mike Hammer novels of Mickey Spillane and the Lew Archer novels of Ross Macdonald A particular focus is upon the theme of the detective's status as a loner who succeeds in discovering truth and achieving justice because he works outside organized social structures
