**The Fate of the Jews in the Early Islamic Near East** Phillip Lieberman, 2022-06-23 In this book Phillip Lieberman revisits one of the foundational narratives of medieval Jewish history that the rise of Islam led the Jews of Babylonia the largest Jewish community prior to the rise of Islam to abandon a livelihood based on agriculture and move into urban crafts and long distance trade Here he presents an alternative account that reveals the complexity of interfaith relations in early Islam Using Jewish and Islamic chronicles legal materials and the rich documentary evidence of the Cairo Geniza Lieberman demonstrates that Jews initially remained on the rural periphery after the Islamic conquest of Iraq Gradually they assimilated to an emerging Islamic identity as the new religion took shape sapping towns and villages of their strength Simultaneously a small elite group of merchants and communal leaders migrated westward Lieberman here

explores their formative influence on the Jewish communities of the southern Mediterranean that flourished under Islamic conquest From the coming of the Jews under the domination of the Islam (640 C.E.) to their first expulsion from France (1306 C.E.) Heinrich Graetz,1926 The Religious and Spiritual Life of the Jews of Medina Haggai Mazuz,2014-07-03 In *The Religious and Spiritual Life of the Jews of Medina* Haggai Mazuz offers an account of the halakhic character of the Jewish community of Medina in the seventh century CE Making use of a unique methodology of comparison between Islamic and Jewish sources Mazuz convincingly argues that the Jews of Medina were Talmudic Rabbinic Jews in almost every respect Their sages believed in using homiletic interpretation of the Scriptures as did the sages of the Talmud On many halakhic issues their observations were identical to those of the Talmudic sages In addition they held Rabbinic beliefs sayings and motifs derived from the Midrashic literature *The Religious and Spiritual Life of the Jews of Medina* is a wonderful reference work for Talmudic study Jewish history and Islamic history A must have book for every library Haim Gottschalk Association of Jewish Libraries vol 5 no 3 2015 Mazuz confronts an admirably wide range of Arabic sources from the Qur'an to prophetic biographies and ad th compilations as well as legal and theological works The breadth of the evidence provided to support the conclusion about the religious identity of Medina's Jews is impressive Harry Munt University of York *The Review of Rabbinic Judaism* vol 19 2016 *The Battle for God: Fundamentalism in Judaism, Christianity and Islam (Text Only)* Karen Armstrong,2014-01-30 This edition does not include illustrations Britain's greatest religious historian chronicles the rise and rise of fundamentalism **Colonialism and the Jews** Ethan B. Katz,Lisa Moses Leff,Maud S. Mandel,2017-01-30 The lively essays collected here explore colonial history culture and thought as it intersects with Jewish studies Connecting the Jewish experience with colonialism to mobility and exchange diaspora internationalism racial discrimination and Zionism the volume presents the work of Jewish historians who recognize the challenge that colonialism brings to their work and sheds light on the diverse topics that reflect the myriad ways that Jews engaged with empire in modern times Taken together these essays reveal the interpretive power of the Imperial Turn and present a rethinking of the history of Jews in colonial societies in light of postcolonial critiques and destabilized categories of analysis A provocative discussion forum about Zionism as colonialism is also included **After Hardship Cometh Ease** Ze'ev Maghen,2006 Islam prides itself on being the religion of facility Muslim sources are unanimous in assigning to Judaism the role of counterweight in this regard pronouncing it a system of burdens and shackles by which the Jews oppressed their souls This neat polarity both fueled and was the product of a fascinating reciprocal process at the same time that shar'a was being created in the negative image of halakha halakha was being retroactively re imagined by Muslim jurists and exegetes as the antipode of shar'a Although scholarly studies of the intertexture of Islam and Judaism abound few have touched upon the Muslim tradition's perception and utilization of Jewish law and none has done so in depth This book aims to fill that lacuna and further our understanding of the age old embrace and grapple between the two faiths **A History of the Jews of Arabia** Gordon Darnell Newby,2022-11-23 A reconstructed

history of a complex Jewish community in Arabia at a critical juncture in world history The Jewish communities of Arabia had a great influence on the attitudes that Muslims hold toward Jews and yet relatively little has been written about their history The sources are sparse and Arabic literary texts from the early period of Islam remain the greatest source of our understanding of Arabian Judaism Through techniques borrowed from anthropology literary criticism sociology and comparative religion Gordon Darnell Newby reconstructs the understanding of Jewish life in Arabia before and during the time of Muhammad In addition this material is used to develop a perspective on the inter confessional relations between Judaism and Islam during an era when the latter was at one of its most dynamic stages of growth

**Muhammad and the Jews of Medina** Arent Jan Wensinck,1975 *The Cambridge History of Judaism: Volume 5, Jews in the Medieval Islamic World* Phillip I. Lieberman,2021-09-02 Volume 5 examines the history of Judaism in the Islamic World from the rise of Islam in the early sixth century to the expulsion of Jews from Spain at the end of the fifteenth This period witnessed radical transformations both within the Jewish community itself and in the broader contexts in which the Jews found themselves The rise of Islam had a decisive influence on Jews and Judaism as the conditions of daily life and elite culture shifted throughout the Islamicate world Islamic conquest and expansion affected the shape of the Jewish community as the center of gravity shifted west to the North African communities and long distance trading opportunities led to the establishment of trading diasporas and flourishing communities as far east as India By the end of our period many of the communities on the other side of the Mediterranean had come into their own while many of the Jewish communities in the Islamicate world had retreated from their high water mark
